Crosswalk

The crosswalk is now working and we ask that families use the crosswalk when crossing the road. Please do not block the crosswalk by parking your car in the crosswalk. Cars need to wait until families have completely crossed before continuing to drive.

Student Drop Off/Pick Up

We would appreciate your support in adhering to the rules of the road and being very diligent to ensure students are safely dropped off. Please be aware that there are **NO PARKING SIGNS** on the road in front of the school. Please do not park in front of the school and leave your car unattended. The school is not responsible for anyone receiving a parking ticket. Please use the side streets to park if you are driving your child to school. Do not drive or drop off students along the McCowan Road School driveway. Many families walk along the driveway to enter the kindergarten area. We have to work together as a community to ensure student safety.

The staff parking lot is for STAFF ONLY.

Field and Playground

We have had extreme winter weather conditions this winter. Due to this extreme weather our field and playscape have many icy patches. During school hours students have been kept off the playscape and field for safety reasons. When dropping off and picking up your child(ren), please keep them off the playscape and field area for their own safety.

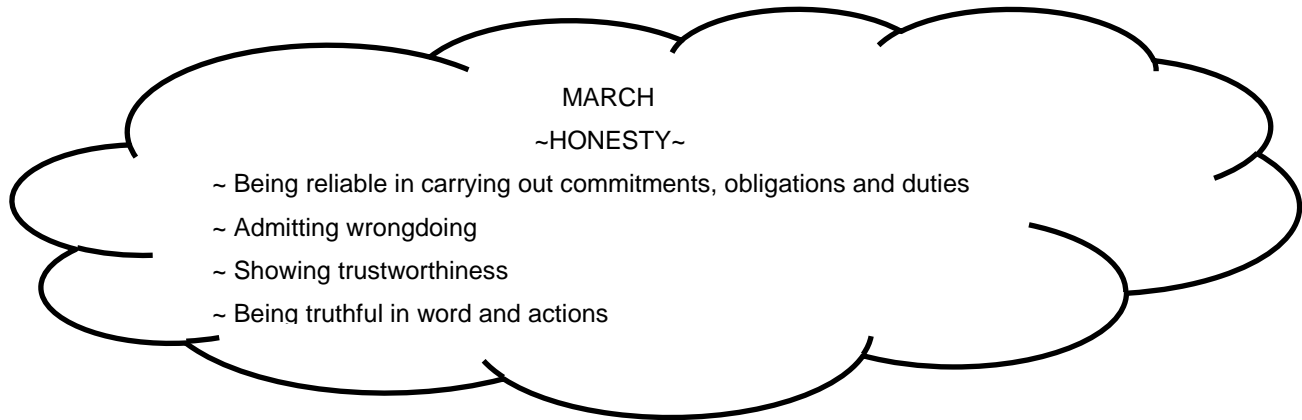

Supervision

Supervision in the yard begins at 8:30 A.M. There is no supervision prior to 8:30 A.M. **Please do not drop off your child at school or leave them in the building prior to 8:30 A.M. unless they are supervised by a parent or caregiver.**
