John Wanless Winter After-School Programs

Monday JAN 22 - MAR 4 (6 WEEKS)	Tuesday JAN 23 - MAR 5 (7 WEEKS)	Wednesday JAN 24 - MAR 6 (7 WEEKS)	Thursday JAN 25 - MAR 7 (7 WEEKS)	Friday JAN 26 - MAR 8 (6 WEEKS)
<p>ADVANCED CHESS WITH MR. BH Grades 4-6 \$125 Do you already know the basics of chess and are you looking to further your chess game? Let Mr. B-H take your chess game to a new level! With a focus on more intermediate moves and strategies, you will be sure to learn something new while having fun!</p>	<p>SPOTLIGHT: TRIPLE THREAT PROGRAM Grades 1-6 \$325 Students will explore the world of <i>Wicked</i> with the expert team from Spotlight Academy. Learn production numbers, perform solos, and portray characters from the show in a condensed version.</p>	<p>SOCCER Grades 1-3 \$245 TenTen invites you to join their active, energetic, & fun soccer program. Players will be challenged through drills, exercises, & games each week to develop soccer skills while having a great time. All equipment will be provided.</p>	<p>KARATE Grades 1-6 \$200 Your child will learn confidence, leadership, respect, focus & discipline with the Black Belt Institute. This class is an excellent intro to karate as well as an opportunity for more experienced students to advance their skills. Price includes a belt upon completion, as well as a graduation ceremony!</p>	<p>CHESS CLUB Grades 1-3 \$230 It is well known that chess can improve strategic thinking, focus, pattern recognition and problem-solving skills. But our programs, filled with challenging riddles and game play, tap into this and add much more – from game analysis that focuses on turning mistakes into lessons, to winning and losing with grace, and to nudging the players to take initiative and evaluate choices, Extra Ed chess programs teach much more than the game.</p>
<p>-----</p> <p>DODGEBALL Grades 4-6 \$215 Dodgeball is the quintessential kids' game! Join TenTen Sports Academy's' Dodgeball program for a highly active, in the moment, on the go program with heaps of fun. There's no dodging these facts!</p>	<p>Throughout the program, our supportive staff will help students discover their passion for the performing arts while building confidence and stage presence. The program will conclude with a final live performance at the school, where friends and family can come and watch!</p>	<p>-----</p> <p>YOGA Grades 1-4 \$180 Little Yogis is a mobile Yoga & Mindfulness program for kids with the goal of improving physical, mental, and emotional help – all while having fun! Developed by an Ontario Certified Teacher and yoga teacher, our non-traditional yoga program combines mindfulness, movement and exercises that build flexibility and balance to give your children a full and active experience.</p>	<p>If this is your child's first time participating, they will be required to have a karate uniform. If they don't already have one, these can be ordered in the first week for \$45. This is a one-time fee. If your child is returning, they are welcome to wear their existing uniform!</p>	<p>-----</p> <p>ALL SPORTS Grades 1-3 \$225 Join our team for an hour of after school fun! Participants will move through a variety of sports such as basketball, soccer, tennis, football, hockey, volleyball, and more. Athletes will be fully submerged in the world of sports and activity and are bound to leave the day with a smile on their face, eager for the next day!</p>
<p>-----</p> <p>ULTIMATE IPAD MOVIE CREATIONS (Filming + Editing + Acting + Animating) Grades 1-3 \$170 This program is the ultimate multimedia IPAD experience! Throughout the program, students will learn how to create up to 4 different projects using a variety of IPAD APPS. Students will also have the opportunity to challenge their gaming skills with our popular Games of Strategy Apps. At the end of the program, students will have created a unique Photo Slideshow movie, an HD Toy-Animation Movie, A Special Effects/Superpowers Feature Film Movie & a one-of-a-kind Movie Trailer Project. Each student will receive all 4 projects to take home on a BRAND NEW CREATE IT USB key!</p>	<p>DANCE WITH MS HOOD Grades 1-3 \$125 Join Ms. Hood as she engages students in instruments, performing arts, dance, acro, as well as ribbons & scarves! Students will work towards a small performance at the end of the term.</p>	<p>Students will develop tools for relaxation all while having fun, laughing, moving their bodies, building friendships, and learning to connect with themselves and the world around them in a deep, meaningful way. Our program is crafted to help build resiliency, strengthen self-regulation, and provide a sense of belonging and community for all students.</p>	<p>-----</p> <p>LITTLE FINGERS MUSIC Grades 1-3 \$235 The Little Fingers Music Keyboard Classes are a fun introduction to keyboard for the young learners. Students learn basic keyboard skills, read notes and rhythms, complete written theory exercises and a sing a variety of songs. Keyboards are supplied and classes are designed by Little Fingers Music founder and composer Charlie Kert (Honours degree in Theory and Composition) and taught by students in training to become teachers.</p>	<p>-----</p> <p>LEGO ENGINEERING & TEAM BUILDING CHALLENGES Grades 1-3 \$165 In this one-of-a-kind engineering themed program, Students will work together each week to construct, design, build and customize a variety of LEGO Themed Creations, while learning a new engineering skill to focus on each week! Students will also be put to the test, as they compete in multiple engineering and team building games & challenges throughout the 8-week program.</p>
	<p>-----</p> <p>SPHERO ROBOTICS & CODING 101 (Games + Missions + Challenges) Grade 1-3 \$190 This One-Of-A-Kind program introduces students to the fun and exciting world of robotics and coding! Throughout the program, students will be amazed as they explore how to program, customize and control over 5 different Sphero Robots while learning a variety of basic, intermediate, and advanced</p>	<p>-----</p> <p>MAGIC CLUB Grades 1-3 \$260 Each magician has a unique style, so whether your child wants to pull a rabbit out of a hat or invent a truly enigmatic card trick, sign up for one of our magic courses! Our astounding instructors teach</p>	<p>-----</p> <p>CUTE, CUDDLY & FANTASY ART Grades 1-3 \$235 Love to draw cute and cuddly animals and fantasy creatures? Then this is the</p>	<p>-----</p> <p>Focused on the Skill Developments below throughout this program – Problem Solving,</p>

PAWSITIVELY PETS

Grades 1-3 \$180
Join us each week for a hands-on animal adventure! Meet all things furry, feathered, slithery and slimy, and learn all about our wonderful animal team.

SHYTOON CARTOONS

Grades 1-6 \$195
Jonathan Shykofsky, a graduate of Sheridan College's world-renowned Classical Animation Program, has worked as a professional in the industry for 8 years, on such popular TV Programs as "Caillou", "Animal Crackers", "My Goldfish is Evil" & the Emmy Award Winning "Arthur". Since 2007, Jonathan has been teaching children of all ages how to draw cartoons, & his classes are a huge success. Jonathan will have a new cartoon adventure for the students each week. During the classes the children will learn all about cartoons & the fundamentals of art, while exploring their creativity with drawing & painting. Classes will integrate some of the children's favorite TV cartoon characters & feature films, keeping up to date with the latest & most popular cartoons. Returning students will advance their cartooning skills!

coding techniques along the way! Students will also be put to the test using the Lighting Lab APP as they compete in several SPHERO Robotic free drive challenges & competitions. Examples include: The Ultimate Programmer, GALAXY-MODE Tag, The SUPER MAZE, Robot Bowling, Chariot Races, Custom built Terrain Parks, The MEGA Obstacle Course Challenge & MORE! Don't miss out on all the FUN!

Robots used throughout this program include: Sphero SPRK+, Sphero BOLT, Sphero Indi *NEW* + OLLIE , Dark-Side Robot , R2D2 & BB-8

KNITTING CLUB

Grades 3-6 \$200
Learn to knit with John Wanless parent, Jessica Haberman! Knitting is a wonderful way to encourage creativity, dexterity, concentration & relaxation! Students will learn to cast on, knit & purl, & bind off. With these skills a variety of projects will be created. Other forms of knitting will also be explored, such as: finger knitting, loom knitting & weaving.

SKIPPING WITH MS. BLANEY

Grades 4-6 \$125
Ms. Blaney invites you to master skipping basics & develop these skills while learning advanced tricks. Skippers will be challenged & everyone will succeed, while learning a group routine to perform at the Jump Rope for Heart Kick-off assembly.

students how to utilize both everyday and special objects and their own confidence to amaze audiences. Students can develop their own magical persona as they work on basic performance skills, crowd work, concentration, thinking on their feet, and even hand-eye coordination, always being encouraged to innovate and think outside the box. No capes required.

SKIPPING WITH MS SHERWOOD

Grades 1-3 \$125
Ms. Sherwood invites you to master skipping basics & develop these skills while learning advanced tricks. Skippers will be challenged & everyone will succeed, while learning a group routine to perform at the Jump Rope for Heart Kick-off assembly.

class for you! We'll create characters both real and imaginary, while learning fundamental techniques for illustration. We will focus on cute and cuddly animals and throw in a few complex characters from mythology and fantasy. This is a mixed-media class that will focus on drawing but includes other materials like paint and modeling clay.

BADMINTON

Grade 5-6 \$125
Speed, endurance & strength – no wonder badminton is an Olympic sport! Get fit, build confidence & have fun while practicing sportsmanship with Mr. Gaunt & Ms. Ng.

ON BROADWAY

Grades 4-6 \$125
In this program, Ms. Willingham will help you develop your vocal skills, teach you how to choreograph a routine and work on your acting skills. You will practice and perform popular Broadway numbers for an end of year performance.

Communication, Creativity, Leadership, Teamwork, Planning, Science & Math

Activities Include: The Egg Drop Challenge, Tin Foil - Marble Boat Challenge, Lego Building Games, Contests & Team Challenges, Roller Coasters + Sphero Robotic Games and MORE!

DIGITAL AUDIO RECORDING (Music Production)

Grade 4-6 \$230
Students are invited into the world of modern music creation through a Digital Audio Workshop (DAW). Drawing on inspiration from the music production greats, students are introduced to the myriad ways digital tools can inspire and ease the use of harmony, rhythm, chord progressions, orchestration, melody and so many more elements as they produce original music.

PICKLEBALL

Grades 4-6 \$230
From paddle control to shot accuracy, our coaches offer comprehensive training in all aspects of the sport. Participants boost their confidence and proficiency as they elevate their game. Teamwork is key in pickleball success. We emphasize communication, camaraderie, and trust-building to excel on the court. Our program creates a supportive atmosphere for every player. Through engaging activities, friendly matches, and positive vibes, we ensure that every session is filled with laughter and enjoyment
