Rosa Lio, Vice Principal

February 2018

Dear Valued Supporter,

At John Wanless Public School, exciting things are happening! After many years of having unused play space around our school, we are currently working toward the creation of two outdoor areas to meet the needs of the youngest members of our learning community. Our **“Kindergarten Play Spaces”** will allow students to engage in play-based learning and inquiry in a naturalized environment throughout the course of the day. Redevelopment of the enclosed areas along our Fairlawn and Brookdale frontage adds great value to our school grounds for all community members.

There are still a few hurdles to overcome before we celebrate this new space. While we have raised \$64,500 of our \$100,000 to date, we are still responsible for covering the remainder of the costs which include some amazing features including a stage, two chalk walls, a climbing wall, sandbox, and music wall.

We would like to offer you or your company the opportunity to join our John Wanless family, through the gift of sponsorship or perhaps a donation to our outdoor environment. In return for your generous sponsorship, you or your company will receive benefits based on your donation. The attached package details our key sponsorship opportunities and their benefits. Additionally, the Toronto District School Board can also offer a charitable tax receipt for any donation over \$25.

Together we can build our “Kindergarten Play Spaces” and improve our John Wanless community!

We will follow up with you regarding your sponsorship, however if you have any questions about this exciting opportunity, please feel free to contact us.

Thank you for considering a partnership with John Wanless Public School. We look forward to working with you.

In gratitude,

Sarah Hunter, Teacher & Co-Chair sarah.hunter@tdsb.on.ca

Sara Kussner, Teacher & Co-Chair sara.kussner@tdsb.on.ca
