

# Student Safety

A few parking and drop-off reminders to keep our students safe at Joseph Howe Sr. PS:

- Please **DO NOT** park or stop on the street in front of the school.
- If you are dropping your child to school, we ask that you drive further down Winter Gardens Trail and drop your child off on the east side of the road (chain link fence side).
- **PLEASE DO NOT** use the parking lot entrance to make U-turns. We ask this out of concern for the safety of all students.
- Students are asked to please cross at the crosswalk at Port Union instead of crossing in front of the school.

Thank you for your understanding and co-operation regarding our parking and safety procedures.
