

# Student Nutrition Program

## Your Fundraising Help is Needed

Lakeshore is very proud to continue to offer a school wide “Grab ‘N’ Go” breakfast program for all students and a fully subsidized lunch program supporting students in financial need.

Studies have shown that academic involvement is better with good nutrition. The Lakeshore Student Nutrition Program forms part of our ongoing effort to support and encourage all students to achieve higher levels of success.

Our “Grab ‘N’ Go” breakfast program currently serves over 600 students each day! This expansion is partly due to the generosity of our parents and community members throughout the past year. Your kindness and generosity has not gone unnoticed.

Lakeshore is committed to supporting student nutrition and the needs of all of our students. Some costs are covered through our application to the ‘Toronto Foundation for Student Success’ with the TDSB and ‘Breakfast for Learning’ program with the City of Toronto, but we need your help!

If you’re interested in contributing to the growth and possible expansion of this program, your support is graciously appreciated.

Contributions for the growth and possible expansion of this program would be graciously appreciated.
