Parent Resource Information:

Summer Camp: City of Toronto offers Adapted Recreation Programs and Inclusive Services to support students with various needs to participate in summer camp programming.

Visit the website below and click on Accessible Recreation. You can also call the Adapted and Inclusive Services hotline at 416 395-6128. They will help you set-up your membership and decide what type of support best suits your child. Membership takes 2 weeks to set-up so start soon if you wish to access programming for this summer.
