### ***What's Happening in Class?***

Spring is here and excitement is in the air as we continue to have a wonderful year of learning in room 309.

This month we will continue to learn and explore the following:

**Math:** Number sense - Division: Our learning goal is to understand the concept of dividing equally using a range of strategies such as equal groups, array, repeated subtraction, multiplication facts and including long division.

Introduction to Fractions.

Data management - Mean, Mode and Median

**Literacy:** Editing and publishing our personal narrative writing.

Making words - focus on prefixes, suffixes, roots and rhyming words

**Social Studies** - Grade 4: Heritage and Identity: Early Societies, 3000 BCE–1500 CE

Grade 5: Heritage and Identity: First Nations and Europeans in new France and early Canada

**Health** - Human development and sexual health (April 25 - May 13th)

**STEM** - Shelter building, Balloon car race

### ***Important Dates***
