Dear Parents/Guardians

I trust that everyone had an enjoyable Winter break and I hope that families have all had a positive start to 2024! It's been wonderful to see the staff and students back at Lescon working hard, showing teamwork, and spreading kindness. The office has been a very busy place this week. In our first week back, we received just over a dozen new registrations. We extend a warm welcome to our new students and their families as our Lescon community grows.

During the month of January, students will be learning about the character trait of **TEAMWORK!** Staff and students will be reading books that inspire teamwork and engage in enriching follow up activities that promote teamwork. At the end of the month, we will have our monthly character trait assembly and students who have demonstrated exemplary teamwork skills will be acknowledged.

Although we have just started back, Lescon has many enriching activities for students to participate in. Please encourage your child to listen carefully to the daily morning announcements so they know when and where to join our amazing extra-curricular activities such as the upcoming Dance club, Talent Show, Boys Basketball tryouts, Girls Volleyball and Co-Ed Floor Hockey. For the month of January students can still participate in Warm up Wednesdays and First Chapter Fridays.

As the weather continues to get colder, please speak with your child about dressing for the weather. Students go outside everyday for morning and afternoon recess along with a 40 minute period of outdoor play at lunch. It is important that everyone dresses appropriately to keep warm while the temperature continues to drop.

SPECIAL ANNOUNCEMENT: This Friday, January 19th is a PA Day – school will be closed for students.

PLEASE NOTE: The afterschool program hosted by Greenwood College is CANCELLED until further notice. This does not impact Lescon Childcare.

It continues to be a pleasure to work with the staff, students and community at Lescon.

Sincerely, George Brown Jr. (Acting Principal)
