We had another terrific week of learning, working together, and showing kindness at Lescon. During my daily classroom visits, I beam with pride as I see students fully engaged in lessons and hands-on activities while experiencing joy as they build their collaboration skills. Well done Lescon!

Our school is growing rapidly. Last week twelve new students arrived and this week, we were given notice that another seven new students will be arriving next week. We are doing our best to keep the classes as balanced as possible. Mrs. Tilly, our Office Administrator, is doing an amazing job processing all the paperwork necessary to register our newcomers.

We've all felt the extra chill this week as the temperatures have dropped. Students are reminded to dress appropriately for the weather. Each day students go outside for 2 fifteen-minute recesses and 40 minutes at lunch. Please support your child by talking with them about the importance of wearing their hats, mittens/gloves, jacket, snow pants and boots during these colder temperatures. When dressed warmly, students benefit from the fresh air and free play outdoors with their peers.

This cold, winter weather has also brought large icy patches to our school yard. Paths have been shoveled and salted to ensure the safety of the Lescon community. **Please discuss with your child the importance of staying OFF the ice and staying ON the salted pathways.** A special thank you to Mr. Buchanan and our amazing caretaking staff for keeping our school safe and clean, especially during these winter months.

Teamwork continues to be the focus for our character education during the month of January. It's wonderful to see the many examples of exemplary teamwork throughout the school. Students have been busy creating posters and reading books about teamwork. A big thank you to all our staff who show teamwork each and everyday. A special thank you to all the staff involved in the upcoming Talent Show, intermural sports and of course, the numerous extra curricular activities provided for our students.

PLEASE NOTE: The afterschool program hosted by Greenwood College is CANCELLED until further notice. This does not impact Lescon Childcare.

A big thank you to all who support our students physically, emotionally, mentally, socially and academically. It really does take a village to raise a child and here at Lescon, we have a terrific village supporting our students. I'm proud to be part of the outstanding Lescon com

It continues to be a pleasure to work with the staff, students and community at Lescon.

Sincerely,
George Brown Jr.
(Acting Principal)
