Dear Parents/ Guardians,

I hope this email finds you well. It has been a very busy week here at Lescon. It was lovely having a chance to see many of you during our parent/teacher interviews.

Our Free Marketplace was a great success!! I want to thank Ms. Concessao for this inspirational opportunity for our community to support one another. We still have more things to give away and some members of the community generously have offered to contribute as well. So, our next Free Marketplace will be during the evening of our Community Movie Night. It will run from 3:30 until 6:15 on November 30th.

This week we also had our first evening with Greenwood College. We now have over 30 kids involved in this afterschool program and registration has closed. This week they will be learning some new board games and playing basketball.

I am sad to share that we have noticed a rise in aggressive behaviour among our students. No one should ever come to school and be hurt. We have to stand up as a community and let our children know that violence is not the answer to solve problems. There are consequences to these actions and children will be held accountable. Please support us in this code of conduct by reinforcing a NO VIOLENCE policy with your child.

Wishing you all a wonderful weekend,

Yours in education,

Early French Immersion (Junior Kindergarten Entry) Application Deadline

For families interested in the Toronto District School Board's system-wide French Immersion Program, we offer an online process to apply for Early French Immersion (begins in JK). To apply to the Early French Immersion Program for September 2024, applications must be completed online between **November 6 and December 1, 2023**. Families with an older sibling currently in an Early French Immersion program are still required to complete an online application for the new student. For more information, please visit: [Early French Immersion](#) or the [Application Process](#).

Please do not order your child's lunch to the school. Our office is very busy and we don't have time to be delivery people too. Please send your child to school with a lunch.

We appreciate your attention to this.
