

**December 2021 Newsletter Photos**

Lynnwood Heights JPS students are busy learning. Here are some examples of what the students are learning.

Students learned about Remembrance Day

Students learned about Diwali

Students are learning about graphing

We are focusing on being kind to each other.

Students learn through using math manipulatives.

Mrs. Sandra O'Brien is honoured by TDSB for her 25 exemplary years of service to the school board.

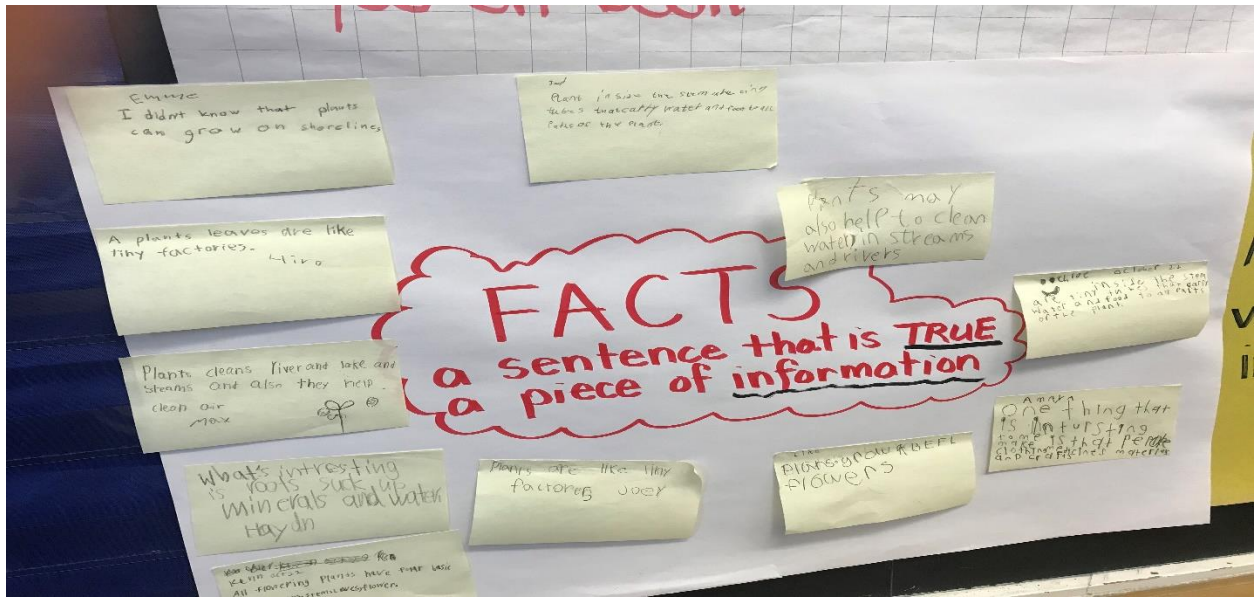

Students are busy learning and exploring.

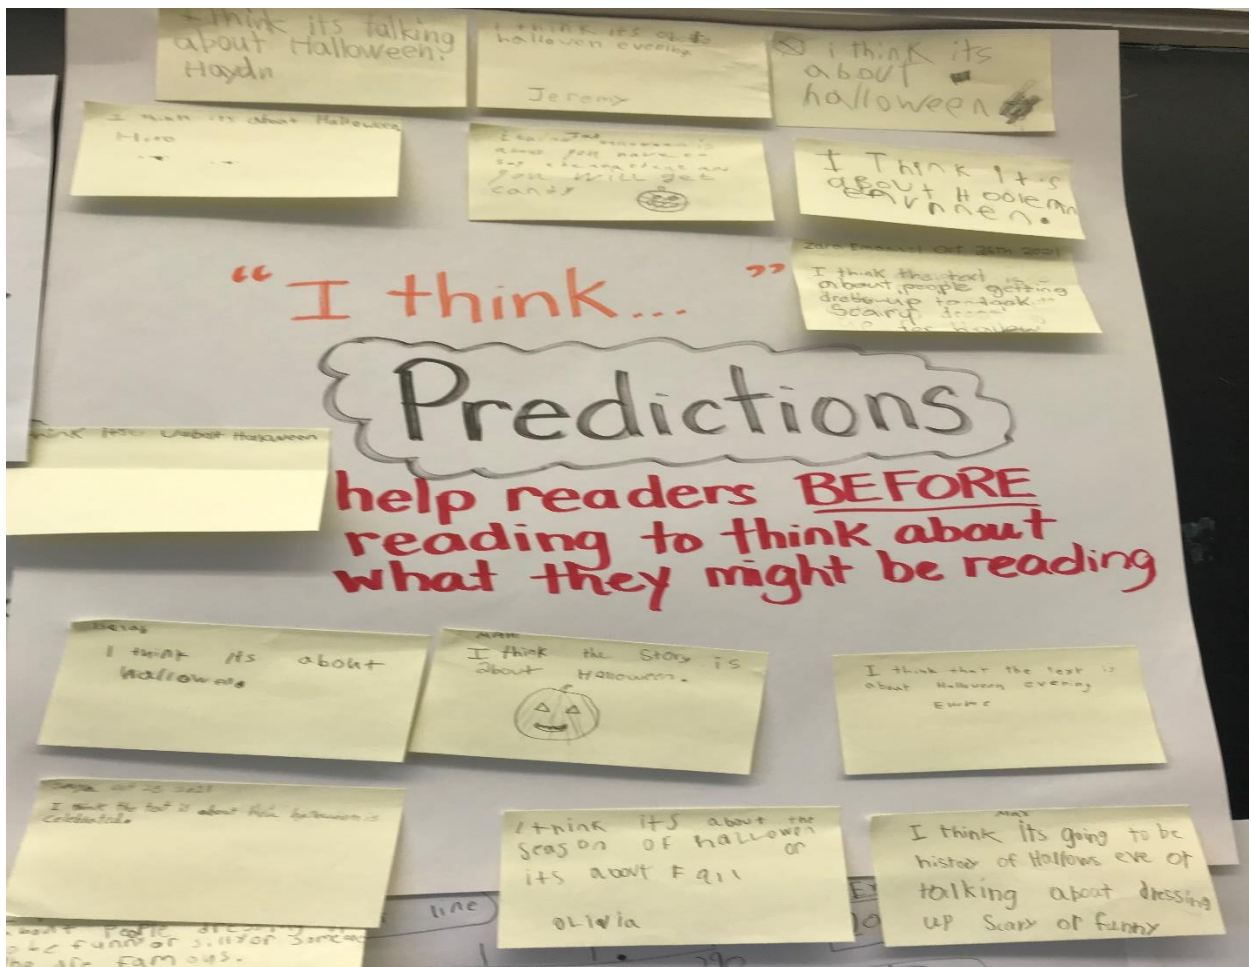

Success criteria help students to know how they can meet the expectations of the task.

Students are working to improve their reading skills.

Anchor charts help students learn to read more fluently and to understand what they are reading.

An

Gr 1s used skip counting by 2s to individually count the amount on their desks and then, as a group, skip counted the total amount together. Once done they did that, they restarted the process, skip counting by 5s, and eventually, 10s.

Students celebrate the wonder of the fall with beautiful artistic creations.

Students learn through kinesthetic activities.

Lynnwood students are incredible artists. They are inspired by Indigenous artists.

More evidence of students' learning about graphing.

Students express their artistry through creating stick puppets.

Students are learning strategies for managing stress well.

Students in grades K to 6 have specialized music teachers.

Students are learning to play the ukulele.

Another example of the artistic skills of Lynnwood students.

Whichever holiday you celebrate, I hope you have a wonderful experience with family and friends.

As we soon will head into a winter break, now is a moment in time for you to recoup, spend *meaningful* time with family and friends and have fun. I wish you the very happiest of holidays, filled with love, laughter and many blessings. May 2022 bring us all excellent health, an end to Covid 19, wisdom and abundance and may the good deeds you do each day bring you a sense of fulfilment.

Sincerely,

Joy Reiter
