

Good Morning Malvern Students & Parents/Caregivers,

As you know, Malvern Course Selection for the 2025/2026 school year was supposed to close today however due to the snow day last Thursday and our inability to run the parent virtual drop in at lunch, **the course selection deadline has been extended to this Thursday, February 20th end of day.**

A couple of reminders:

- **Course selection must be approved by a parent.** Many students have submitted course requests however we are still waiting on parental approval before their selections can be submitted. **Parental approval is mandatory for any student under 18.** Check your inbox for an email from myBlueprint and follow the steps to approve.
- Guidance will extend student drop in sessions for Wednesday and Thursday. Students are encouraged to **attend the lunchtime drop-in sessions** for all inquiries pertaining to course planning and course selection. These take place in room 102.
- Nearly all questions pertaining to course selection can be answered by **visiting our Malvern Course Selection Website: bit.ly/MCcourseselection**
- Course selection will be completed on myBlueprint: **myblueprint.ca/tdsb**

Course Selection Timeline:

Tuesday, February 18th to Thursday, February 20th	Student Drop in Sessions	Students may drop in at lunch time to room 102 (computer lab) on these dates to speak directly to a counsellor about any questions relating to Course Selection
