Summer School

Registration is ongoing for July and August summer school. Some programs are filling up quickly and registration for July full credit programs WILL close on June 10 - we encourage you to register now. Take a look at our [Summer 2022 Options Sheet](#) for a comprehensive list of programming available this summer. [Credit Recovery Summer School](#) July registration closes - June 30, 2022 (11:00am)

Schulich Business Excellence Academy

The Schulich Business Excellence Academy is a summer business education and mentorship program supporting approximately 100 Grade 10 or 11 high school students across Ontario. The program targets all students from under-represented communities with a focus on Black and Indigenous communities. It is free, and will consist of evening online sessions in July. More information is available here: <https://schulich.yorku.ca/future-students/business-excellence-academy/> and the deadline to apply is June 6, 2022.

Transition to University & College

The OUAC has prepared a comprehensive set of links for [University Student Transition Resources](#) from every Ontario university. There are links for the transition to Toronto-area colleges here: [Centennial](#), [George Brown](#), [Humber](#), [Seneca](#), [Sheridan](#).

You may also want to review the [Transition Resource Guide for Students with Disabilities](#), and get in contact with your post-secondary institution in June/July to set up an appointment.

OUAC - Open Programs

Beginning on June 3rd, Ontario high school students can search for possible openings at Ontario universities.

To begin your search, visit the [OUAC 101 page](#) and click the "Search Open Programs" button. Once you find an open program of interest, add it to your 101 application.

[View the Admission Information Service flyer \[PDF\]](#) for more information. We also encourage you to contact universities directly for more information about available programs. Keep in mind that certain programs may have different deadlines. We advise you to contact the universities directly to be considered for late admission. It may be possible to seek admission as late as August.

OSAP

OSAP (Ontario Student Assistance Program) applications are now open for the 2022-2023 year. Visit the [OSAP website](#) to create an account and learn more about the program.

If you plan to apply for OSAP or want to learn more, please see the Zoom recording of our [Financial Aid Workshop](#) with Kassi Wicke, along with a [Financial Aid Resource flyer](#).

TORONTO REHABILITATION INSTITUTE DESIGN PROGRAM

The Summer TRI (Toronto Rehabilitation Institute) Design Program is an experiential learning program for grade 11 and 12 students. TRI Design Program has an equity focus as it's designed for students that face systemic barriers. The summer program lasts four weeks and within the program students are provided an opportunity to explore science, technology, and research through developing their own research project, as well as connecting with researchers, professionals and graduate students. The overall goal of the program is to provide interested students with an opportunity to explore science and research, as well as build their capacity (e.g., communication skills, critical thinking skills, etc.).

The program runs July 4-29 from 9:00 am-3:15 pm, and students will receive one 4M course credit (SNC4M) as part of the program.

Students can apply here: <https://commsupport.wufoo.com/forms/zi6aqc7oif7486/>

BILL 7 AWARD SCHOLARSHIP

The [Bill 7 Award Scholarship](#) application is now open for students who are currently enrolled in, or will be starting their FIRST post-secondary program at an Ontario institution. This is a post-secondary scholarship for 2SLGBTQ+ students. Last year, 18 scholarships of \$3500, and one recurring multi-year scholarship of \$3500 per year were provided. Full details and the application form are available at www.bill7award.ca. Application deadline is Friday, August 5, 2022 @ 5 p.m. Please note that a reference letter is required, so if necessary, please ensure students connect with school staff as soon as possible.

SUMMER JOB OPPORTUNITY

Prologue to the Performing Arts is looking for a high energy and proactive student to be an Events and Project Coordinator and assist and support Prologue's summer program initiatives. This will include the administration and onsite duties as it relates to all aspects of the summer projects allocated for 2022. Oversight and support by the Events and Project Coordinator will extend to multiple areas of the project's scope - such as marketing, programming, production and administration. Reporting to the Community and Outreach Manager, the project coordinator will provide support in coordinating schedules, on site events, and areas such as marketing, development and administration.

M FACTOR: FESTIVAL EDITION

On Friday afternoon May 20, students spent a beautiful afternoon out in the sun, listening to student performances, travelling around to various booths put on by groups and clubs, and filling their bellies with food from four food trucks!

The Music Council and Student Council are so proud to have put on this event and hope we can do it again next year!

It was weeks of planning and a huge success!

Thanks to all staff and students who put in so much hard work to make this happen!

Special thanks goes out to Ms. Collura and Ms. Norris!

ATTENTION FUTURE MALVERN STUDENTS!

We can't wait to meet all of you and welcome you to Malvern!

Here's what you can expect:

- ◆ We will be running a program for you at the end of August: *Head Start to High School*. Be sure to check your TDSB emails for this invitation and to sign up! The one-day program will introduce you to staff members, you'll get a tour of the school, we'll explain how the timetable works, and we'll introduce you to all the Malvern events and programs that you can be involved in. This is also a great opportunity to meet new friends before school starts. The date is still to be determined, but will likely be between Aug. 30-Sept. 1
- ◆ At the beginning of September, you will receive your timetable (via email).
- ◆ Your parents will also receive (via email) various registration forms to complete.
- ◆ During the 1st couple of weeks of school, our peer leaders will be visiting your classes and organizing some events so you can meet new friends and understand how high school works.

YEARBOOK DISTRIBUTION

For those students who purchased a yearbook, the Yearbook team will be distributing them on Thursday, June 23.

Students will be called to the cafeteria via ALPHA during the morning to pick up their yearbook.

ATTENTION GRADS: CAPS, GOWNS AND LAWN SIGNS

If you ordered a Cap & Gown and/or a Malvern Grad lawn sign, we will be distributing these in the cafeteria on June 13, 14 and 15. Grads who ordered grad portraits will also receive their graduation Composite

MALVERN'S VINYL CAFE IS BACK

Every Friday at lunch, upwards of 25 - 30 students drop by Room 208 to have their lunch, coupled with a coffee and a Tim-bit or two, while enjoying the latest offering on vinyl, spun by host teacher, Mr. Matthews. Rumours, Dark Side of the Moon, Crime of the Century, and this week's biggest draw of the year (36 students), Elton John's Greatest Hits, are just a few of the records that we've played.

The club offers a much-needed social environment for students from all grades and it is great to see students talking and laughing together again.

Thanks to grade 12 student, Corben Dell for keeping the flame going, so to speak, by encouraging friends to come by regularly. Corben brought in a couple of albums himself, including a green vinyl edition of Plantasia, a 1976 all-synthesizer suite of songs designed to help your plants grow!

While the Cafe will wrap things up in the next couple of weeks, it is sure to start up again in the fall, so returning students will still have plenty of opportunity to join in the fun.

FOREST VALLEY FIELD TRIP

The Environmental Science class hopped on a yellow school bus and spent a beautiful day at the TDSB outdoor education site, Forest Valley.

The students analyzed water quality, learning how to test for pH, salinity, turbidity dissolved oxygen and temperature. They then had a hot dog cook out over an open fire and for dessert they made smores! Some were well done smores as can be seen in the pictures. We completed the day by planting trees native to the threatened Carolinian Forest region.

ATTENTION NATURE LOVERS

Ecospark is having a fundraiser to help support the environmental programs they provide to schools and community groups.

I am hoping that you could help support me in raising a bit of money that will go towards providing and promoting environmental education in the GTA.

Here is the fundraising page:

SOCIAL JUSTICE CLUB

Attention Malvern students, family and friends, and faculty !

This coming Wednesday and Thursday (June 1st & 2nd), the Malvern Social Justice Club will be hosting a bake sale at lunch to raise money and awareness for the IDRF.

The International Development and Relief Foundation (IDRF) is a non profit Canadian based organization, that supports Canadian and Muslim communities coming together to support the Islamic principles of human dignity, self reliance, and social justice.

They aid countries and communities on a global scale, with a major focus on aiding Arab countries and communities in a state of humanitarian crisis.

All proceeds from the sales this week will go directly to the IDRF organization .

Make sure to come support the sales and bring cash for a sweet treat or nee piece of jewelry this Wednesday and Thursday at lunch where we will be just out front of the school!

MALVERN'S ART SHOW

For the first time in three years, Malvern C.I. will host its annual Art Show on Tuesday, June 14, 2022, from 3:00 - 9:00 PM in the school's Cafeteria.

Included in the show will be selected works by Visual Arts students of all grades. These include paintings, sculptures, prints and drawings in all types of media.

Works by the grade 11 and 12 Media Arts students include projects in Photoshop and digital animation.

A special feature of the show will be tours of the grade 12 student murals that have been completed on doors and walls around the inside of the school as well as a special display of the grade 12s' self-directed studio projects.

For one night only, you don't want to miss this great opportunity to see what incredible talent our students have.

We hope to see you there!

MALVERN'S ECO TEAM

As the year wraps up, we, the Malvern Eco Team, hope that we have had a positive effect on students' awareness and how small daily actions can help our Planet.

In the fall/winter semester, we ran a blue box recycling campaign. Hoping to make a difference, we made and put up posters to help students learn which items belong in the blue box. In addition, the team ran "Waste Free Wednesdays" which encouraged students to bring litter-less lunches. Students with litter-less lunches, eating in the Cafeteria, were given tickets to enter biweekly raffles to win prizes and smarties from Mr. Sasabuchi.

Also, around the holidays, the Eco team made and sold handmade friendship bracelets to sponsor an endangered species. Malvern CI students voted, and we are sponsoring the Polar Bear through the WWF.

In the spring, we tried our hand at hosting our first EcoTeam Art Contest and the winners were Josselin Raymond and Gabriel Kuchera who made sculptures entirely out of recycled materials. We also sold potted Daffodils and Sunflowers to raise funds for the Red Cross' humanitarian efforts to help the people of the Ukraine.

We loved having our little booth at M-Factor, handing out our "No-mow May" bookmarks, and we hope you enjoyed our homemade pretzels; thanks to Ms. McFarland and Ms. Mlynarska for supervising. We are now looking forward to the future and hope our little Eco Team grows its membership next year. Thanks to all the awesome Malvern students, community members and Staff who helped make our events a success.

Written by: Shannon Mascard & Mrs. Roberts

Much peace and love from the Eco Team.

MALVERN'S DRAMA CLUB

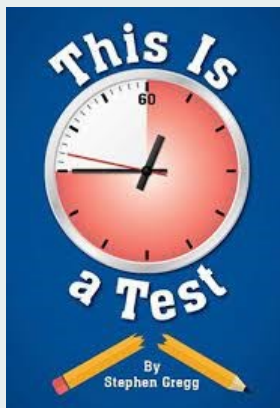

The Drama Club is proud to present Stephen Gregg's "This is a Test".

This one-act play is a delightful comedy about how everything could go wrong on the day of an important exam. And we mean, *everything*!

We will present two shows on Wednesday, June 22nd: a lunch time and after school performance.

Doors will open at 3:15 and the show will begin at 3:30. We are thrilled to be able to gather again and we hope you can join us for an afternoon of theatre!

MALVERN MUSIC

The Malvern Music department has been pretty active this past couple of months with a number of live performances. We've had really fun and strong performances at our regular lunch time "Coffee House" where any students can share their artistic talents.

In April the Malvern marching band had a successful performance in the Beaches Easter Parade. The crowds were fantastic, the weather was great and the students really shined. Also, in April the marching band had the chance to perform for the students of the Balmy Beach School for their spirit week.

We had our first ever outdoor M-Factor which you can read about in another article.

The Girls Choir and Concert Band performed at the 100 year commemoration of the Cenotaph outside the school.

We are very much looking forward to our spring concerts.

The vocal night will take place on Tuesday June 7th at 7pm and will feature students of the Vocal Program under the direction of Mrs. Norris.

The band night will be on Thursday June 9th at 7pm and will feature students in the Malvern Band Program.

Tickets are available from School Cash Online. Please come and celebrate the students' hard work and the opportunity to hear live music again.

COMMENCEMENT UPDATE—JUNE 29 @ 1:00 AT THE GUILD INN ESTATE

We are busy planning commencement and are very grateful to the parent committee for their fundraising.

Now that all parents have had an opportunity to purchase up to 2 tickets, we have sent out a google form for those interested in purchasing additional tickets. The deadline to complete the form is this Friday, June 3 at noon.

<https://forms.gle/s1a3k9KLuJXttJD56>

Our capacity is 950 and we will definitely be SOLD out; we may have to resort to a lottery for those requesting an additional ticket. Those who have requested additional tickets will be notified of the availability on Monday, June 6.

The ceremony will be live streamed for extended family and friends. A link will be provided at a later date.

CARRYING HOLOCAUST TESTIMONIES

Last month, Malvern School Council hosted an online presentation with Michelle Glied-Goldstein. You may have seen a recent news story featuring Michelle, as other TDSB schools have had her speak with their students.

<https://www.cbc.ca/news/canada/toronto/tdsb-holocaust-remembrance-1.6434793>

Michelle also presented to all Malvern students in April.

We look forward to inviting Michelle back next year for our incoming grade 9's

PARENTS AND CAREGIVERS AS PARTNERS CONFERENCE

Mark your calendars! The TDSB's [Parent and Caregivers as Partners virtual conference](#) is scheduled for October 22 and 23, 2022. We are also looking for workshops and presenters. Check out the website for more information.

PARENTS ENGAGED IN EDUCATION

In this month's newsletter we are asking parent leaders in school councils to complete a survey indicating if they would like to attend our annual School Council Symposium in October. This used to be an annual event (pre-COVID) where parents across the province came together to network and learn. We are assessing whether 2022 is the year to bring it back and that will very much depend on the interest of parents to attend.

Please complete the survey either by [clicking this link](#)

FROM THE EQUITY & SOCIAL JUSTICE CLASSES

As a part of the Grade 12 Equity and Social Justice course, the final project is to come up with and implement a social action plan that will help a group of people.

Our names are Shianna and Carlyn and we are helping people who cannot afford necessary feminine hygiene products. We have a donation box located in the front hall of Malvern where you can donate feminine hygiene products.

As well, if you are unable to donate products, we also have a Go Fund Me where we collect money that we will use to buy feminine hygiene products. The Go Fund Me link can be found on our Instagram page at [periodpositive22](#).

All of the products that we collect will be donated to a charity in Toronto called Period Purse, which helps women suffering from period poverty. <https://www.theperiodpurse.com/>

Our names are Julia Edgar and Natalie Riendeau, and as part of our social action project we want to run a food drive in our community as there are many individuals struggling to make ends meet. You never know when someone is struggling with access to food, and a lot of the time it goes unnoticed. It can be people you see in the hallways at Malvern, your neighbours, and even your closest friends.

We have decided to put together a food drive and want your help to make it happen. Our food drive will be held from today to Tuesday May 31st, we will collect non-perishable food items at 55 Malvern Avenue.

We will have a donation box in front of the library. If it is an inconvenience, we can pick up your donations if you're in close proximity to us. Please email us or direct message our Instagram listed below.

Food items that are in the highest demand include: canned fish, canned fruit, canned tomatoes, and canned vegetables, oatmeal, hot cereal, and peanut butter/almond butter.

All proceeds will be donated to Grace Pascoe Care Center Food Bank and will be available to any family or individual struggling in the Beaches community.

You can contact us at: Natalie.riendeau@bell.net or Juliaedgar956@gmail.com, or our Instagram @beaches_fooddrive and follow us for the newest information on our food drive!

Feel free to contact us for any further questions you may have.

Please consider donating to this worthy cause, any donation can help. Thank you so much for your help!

TRACK AND FIELD

The track and field students put in days of training during April and May. May was a busy month with the regional competitions and the City finals. Big congratulations to the entire team – you worked so hard and many of you out-performed your personal best!

This year we have two junior athletes who qualified for OFSAA.

Tegan Carpenter qualified for all three of her events, placing 2nd in the 800 m run and 4th in both the 1500m and 3000m.

Andrew Adamson came 3rd in both the 100 m hurdles and the 400 m dash.

Ukraine Humanitarian Crisis Appeal Extended to June 30

To date, the TDSB community has raised thousands of dollars as part of the [TDSBcares: Ukraine Humanitarian Crisis Appeal](#) to support the [Canadian Red Cross](#) and [UNICEF](#) in their ongoing efforts to provide life-saving humanitarian assistance to those impacted by the war in Ukraine. The fundraising campaign has now been extended until the end of the school year (June 30, 2022). [Learn more and find out how you can donate](#).

TDSB CHECK-IN SURVEY

As we begin to look ahead to September 2022, the Research Department of the TDSB is gathering information from parents/caregivers and students about student mental health and well-being. As well, we are interested in what conditions and practices supported student learning success during this past school year.

During the week of May 30th, we will be asking parents/caregivers (JK to Grade 12) and students (a sample of Grades 7 to 12) to complete a short, online survey to share their thoughts and experiences. The survey is anonymous and should take approximately 10 minutes to complete.

Malvern was identified in the Grade 7 to 12 sample.

Students will receive a survey link called **TDSB Student Spring Check-in Survey** to their TDSB email accounts.

Students will be given an opportunity in class to complete the survey, which is anonymous. Students can also fill out the survey on a break or at home.

VIRTUAL SCHOOL—2022/23

On May 30, an email was sent to all parents/guardians/caregivers of students who are currently registered for Virtual Learning for the 2022-2023 school year to inform them of the opportunity to request a withdrawal from Virtual Learning and return to In-Person Learning. The request to withdraw will take place between June 6-10.

E-LEARNING GRADUATION REQUIREMENT

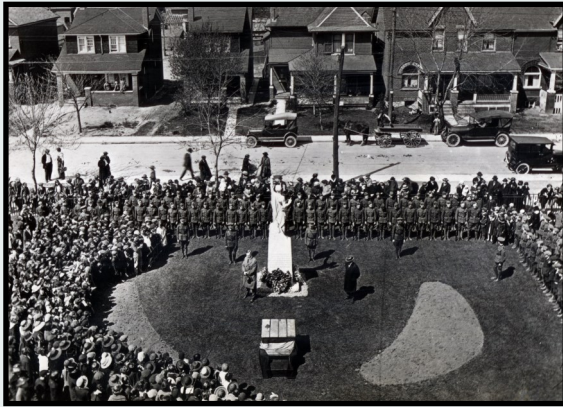

The Ontario Ministry of Education has introduced a new graduation requirement for secondary students to complete two e-Learning credits as part of the 30 credits required for the Ontario Secondary School Diploma (OSSD). It applies **only** to students who entered Grade 9 on or after September 1, 2020 which means that they are now in Grade 9 or Grade 10.

Students may withdraw/opt out of this new requirement and graduate with an OSSD

Last month, Malvern sent home a survey (to grade 9 and 10 parents only) for parents/students to indicate a preference for courses that may be offered as an e-Learning course. An Opt-Out form was sent to grade 9 and 10 parents via Permission Click. There was very little interest in taking an elearning course for the 2022/23 school year so Malvern will not be offering this option for grade 10 & 11 students. Students may still take virtual courses through summer school or eLearning day school (subject to availability).

Commemorating 100 Years

MRBS Member, David Fuller gives his keynote address.

On Tuesday, May 24, Malvern CI collaborated with Malvern's Red and Black Society (MRBS) to commemorate the 100 anniversary of the Cenotaph.

Parents, alumni, community members and elected officials joined us in-person, while the entire school viewed the ceremony via live stream.

Keynote speaker, David Fuller (pictured above) gave us all a valuable history lesson as we learned about the lives of Malvern students who served and whose names are on the Cenotaph

Special thanks to the Malvern Red and Black Society (MRBS), Malvern's Band, the Girls' Choir, the Peer leaders, the Stage & Lighting Crew and the Malvern's S.O.S. club, who prepared announcements and a slide show lesson prior to the Commemoration.

And thank you to Ben Huang, a grade 12 student, who also spoke about the significance of the Malvern War Memorial.
