MALVERN C.I.

CONGRATULATIONS TO IDRIS HERSI

A huge congratulations to Idris Hersi, who participated in the *Black Student Summer Leadership Program*, organized by the TDSB Centre of Excellence for Black Student Achievement.

Through this program, Idris developed his own research project, and the result was his report on “STEM and Race: Understanding Black Students Representation in Technology in 9-12 Education”.

He recently presented his results at the student-led and student-organized TDSB *Youth Participatory Action Conference*. The results of his research can be found on this [website](#).

CALL OUT FOR CO-OP COMMUNITY PARTNERS!

Plans are underway for Semester 2 Co-operative Education Course at MCI. Strong community partnerships are essential to providing students with rich, relevant and meaningful work experiences, and we are currently seeking “in person” Co-Op placements in a variety of sectors, including the following:

- ◆ Trades- Construction, Renovation, Landscaping
- ◆ Sports Broadcasting/ Journalism
- ◆ Sports and Fitness
- ◆ Health and Human Services
- ◆ Video Game / Software Development
- ◆ Film and Television Industry

- ◆ Real Estate
- ◆ Legal/Law Firm

The duration of Co-op placements is from March- June, 2023. Students attend their Co-op placement for either a half (morning or afternoon) or full day, (9:00am-3:00pm), Monday through Friday.

We know we have a strong community network of professionals, and if you are interested in becoming a placement supervisor and hosting a Malvern student, please email [Rebecca Sanderson](#) for more information.

GRADE 12 POST-SECONDARY PRESENTATIONS

Last week, the Guidance Department visited all Grade 12 classes to give a presentation on post-secondary education applications. You can view the presentation slides by clicking [here](#). The presentation includes tips for students applying to both university and college, as well as some reminders about scholarships.

GRADE 11 & 12 FAMILIES - VIRTUAL POST-SECONDARY PRESENTATION

The Guidance department is hosting a virtual presentation and Q&A on post-secondary applications for Grade 11 & 12 families on Wednesday December 7 at 7:00pm via Zoom. We will share a brief presentation with general information about the process for applying to both college and university, and then answer questions we receive in advance as well as live questions from participants in the chat. In order to prepare for the session, you are invited to fill out this one question google form to inform how we will prioritize discussion topics.

Pre-Zoom Survey Link: <https://forms.gle/zXkahZB8hjYzgK2q8>

TDSB E-LEARNING AND NIGHT SCHOOL - SEMESTER 2

There is limited availability in Semester 2 elective courses at Malvern. Students anticipating a potential need for a timetable change are encouraged to meet with their guidance counsellor as soon as possible. e-Learning and Night School courses provide an opportunity to enrol in a new course where there is not availability at Malvern.

These programs are for Grade 11 & 12 students who wish to take ONE class fully online through the TDSB, while maintaining the rest of their courses with Malvern. We encourage students to sign up on the first day of registration.

e-Learning Registration: opens December 6th, 10:00am (tentative) - Courses have some synchronous components, but are mostly asynchronous and best suited for independent learners. Courses available in Semester 2 are on the [e-Learning web-site](#). [Read more about e-Learning](#) and [REGISTER HERE](#).

Night School Registration: opens Thursday, December 1, 2022, 10:00am - Courses are Mon/Wed or Tues/Thurs from 6:30-9:30pm with synchronous learning and mandatory attendance. [Read more about Night School](#) and register here: [TDSB Night School](#). Semester 2 Night School Courses will be available in-person and remotely. [Course lists available here](#). [REGISTER HERE](#).

SHAD CANADA

For students who are completing Grades 10 or 11: A month-long summer program, in residence at one of nineteen Canadian host universities, focused on STEAM (science, technology, engineering, arts & math). Selected through a rigorous, competitive process. Selected students are leaders in their schools, volunteers in their communities, and are often gifted musicians, artists, and athletes. There are also exclusive scholarships for Shad program graduates. Financial assistance in the form of bursaries is available. (See Fundraising Opportunities on the website).

Visit: <https://www.shad.ca/>

Deadline to apply: December 5, 11:59 ET

PEER LEADER MENTAL HEALTH CLASS VISITS

Last week a volunteer group of Peer Leaders had a “lunch and learn” with our school psychologist, Jennifer Kapler, around positive mental health and dealing with stress going into the holidays and exams. Then, this past Monday, November 28th, our Peer Leaders visited Grade 9 classes to go over some coping strategies to help maintain positive mental health. They led the class in two different exercises that could be used when feeling anxiety. They also provided additional resources that the students could use in the future. We will continue to create positive initiatives for our school community. Stay tuned!

IMPORTANT DATES

- ◆ [PACE](#) Construction Skilled Trades Application Deadline: Friday, December 2nd
- ◆ [OUAC / Ontario Universities](#): Deadline to Apply via OUAC is January 12th
- ◆ [Ontario Colleges](#): Now Open! Deadline for many programs is February 1st
- ◆ Semester 2 [TDSB Night School](#): Registration opens December 1st, 10:00am
- ◆ Semester 2 [TDSB eLearning](#): Registration opens December 6th, 10:00am (tentative)
- ◆ Guidance Department: Post-Secondary Presentation for Families, December 7th, 7:00pm

THE SCHOLARSHIP REPORT

The “Scholarship Report” is a comprehensive guide to scholarships, bursaries and other post-secondary opportunities in Ontario and beyond. The Malvern community now has direct access to regular updates through the link and password below.

GUIDANCE—CONTINUED

ONTARIO UNIVERSITIES' INDIGENOUS STUDENT RESOURCES

[Ontario Universities' Indigenous Student Resources \(OUIISR\)](#) is live for 2022!

OUIISR provides information about supports and services for Indigenous students interested in, or already attending, an Ontario university. Students can find information about: academics, admissions, financial aid, housing, Indigenous student services, student life and well-being. OUIISR also features videos of Indigenous role models who have achieved success in postsecondary education in Ontario. Students can learn about how to connect with Indigenous university representatives in a city near them.

Visit: www.ontariouniversitiesindigenous.ca.

FACILITATED ACCESS TO SKILLED TRADES

A reminder that students in grades 10, 11 and 12 who are interested in a Skilled Trades-based Specialist High Skills Major (SHSM) that is NOT available at their current school can apply to join a program in the TDSB where there is space available through the F.A.S.T. application (Facilitated Access to Skilled Trades).

A list of sectors and the available programs along with the link to the application can be found on the [F.A.S.T. website](#).

Applications for a semester 2 start is the end of November. Students can also apply to start next September.

Please see the [website](#) for more details.

GLENDON CAMPUS @ YORK UNIVERSITY - LUNCH AND LEARN

On Tuesday, December 6th at lunch in Room 311

AFRICAN HERITAGE MONTH STUDENT VOLUNTEERS NEEDED

from the TDSB African Heritage Month Volunteer Planning Committee

Calling all Black students!!

We are looking for interested TDSB Black identifying students to join a committee of your peers to organize this year's African Heritage Month student conference!

In celebration of Black History Month /African Heritage Month, we will be holding our annual Know Your Worth Conference for Youth in February 2023. This is a conference on empowerment for Black youth, created by youth and we want your input in bringing this event to life!

Participants in the committee will do the following:

- ◆ Attend bi-weekly then weekly meetings
- ◆ Assist in the creation of the event's schedule, content and promotional material
- ◆ Support workshop facilitators on the day of
- ◆ Receive Volunteer hours for your participation

- ◆ Meet Black students from various TDSB high schools

Our first virtual meeting will be on Monday November 28, 2022 at 5:00pm. Please fill out the following form to show your interest and commitment to being a part of this much anticipated day: <https://forms.gle/m1sd2KMDEpBwW6246>.

If you have any questions, do not hesitate to reach out via email at lena.hall@tdsb.on.ca, randy.samuel@tdsb.on.ca, andre.harriott@tdsb.on.ca, or koryn.marshall@tdsb.on.ca.

OUT-OF-PROVINCE UNIVERSITIES

If you are planning to apply to out-of-province universities, pay careful attention to any deadlines set by the university. OUAC assists with transferring marks for some out-of-province universities for Ontario high school students who have applied through the OUAC:

<https://guidance.ouac.on.ca/counsellor-resources/other-university-options/>

Students who apply to these out-of-province universities can authorize the universities to request their academic information from the OUAC.

To authorize them, the applicant must include their 11-digit OUAC Reference Number on the university's application form.

NOTE: students must have completed and paid for the OUAC application to receive a Reference Number.

QUEEN'S UNIVERSITY ACCESS AND INCLUSION TEAM - APPLICATION WORKSHOP

A representative from the Access and Inclusion team at Queen's University will be at Malvern to help with university applications for First Generation applicants (parents have not attended university in Canada), plus any students who identify as Indigenous, racialized, 2SLGBTQ+, lower income, or with a disability. Any equity-deserving student who self-identifies as eligible for this workshop is welcome! This workshop is for students applying to [all universities](#), not just Queen's, and will be held at lunch on Monday, December 5 in Room 102. It will include a comprehensive overview of how to apply to various post-secondary institutions on the Ontario Universities' Application Centre (OUAC). Please come to Guidance for more info or to sign up.

First-Generation Student Admission Pathway

The First-Generation Admission Pathway offers **comprehensive support** for students pursuing post-secondary education. Through our programming, our team is available to assist you from the moment you consider applying to the summer before you start your first year!

Students receive one-on-one support in:

- General application advice
- Academic and career advising
- Financial Planning Assistance (OSAP, Scholarships & Bursaries)
- First-Year Transition Support, and much more!

Contact
1gen@queensu.ca

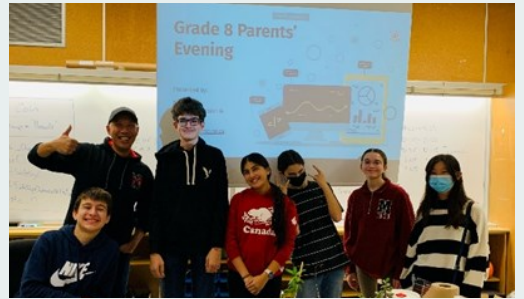

GRADE 8 INFORMATION NIGHT

The Grade 8 Information on Wednesday, November 22nd was a huge success.

The Peer Leaders were welcoming and enthusiastic with our future Malvernites. The clubs and councils set up colourful booths that showcased the rich, multitude of activities that are available in the school.

A number of parents commented that the warmth in which they were welcomed showed just how much the students here love their school. The band and vocal class opened up the night, showcasing their talent

A special thanks to our Grade 9 speakers Chase Delgado and Ugo Njoku and our Peer Leader captain Eleanor Balgopal and Lucy Curvengen for sharing their experiences with the students and parents.

MALVERN'S STUDENT ACTIVITY COUNCIL

Starting off in late October, SAC held their first spirit week of the year.

Closing off our fun filled week of Malvern spirit, SAC organized candy-grams which were nicknamed "Boo-Grams" for students to buy and send to their friends. Proceeds from the sales went to the non-profit charity 'Partners in Health'.

We also recently welcomed our two new Grade 9 Representatives to the council. Welcome Rowan Smyth and Alexia Tingas Proteau to the team. Looking forward, SAC is working hard to put together a winter holiday assembly and second spirit week which will include a winter food drive.

THE MUSIC DEPARTMENT

The music department has had an exciting month with a number of performances and field trips. It started out with a field trip to Stratford for the vocal students who got to witness the talents in the cast of Chicago on stage (actually in October).

On November 2nd the senior band class had an opportunity to watch a fantastic performance of the Toronto Symphony Orchestra, followed by a tour of Long and McQuade music stores where they listened to former Malvernites perform and walk down memory lane sharing their experiences and how it has shaped them as individuals.

On Remembrance Day we had a strong performance of grade 11 trumpeter Rachel Aziz playing the last post and reveille over the announcements and in the community we had grade 12 trumpeter Keagan Valentine perform at the cenotaph at Kew Gardens. The following week the marching band went on a short tour of Ontario performing four Santa Claus parades over two days. We spread the cheer in Kitchener, Acton, Cambridge, and Toronto. It may have been cold but the students kept their spirits up and had a great time. The senior band class has also been working with the band students at Glen Ames to help them become

more skilled and prepare for their upcoming concert on December 15th.

Speaking of concerts, our Holiday concerts will be in the first week of December. Starting with the Vocal Holiday concert on Wednesday December 7th at 7pm and Band Holiday concert on Thursday December 8th at 7pm. Doors will open at 6:30pm and tickets can be purchased on School Cash Online. We look forward to spreading the joys of the holiday season and if you are able to make it we would love to see you!

GRADE 11 ONE-ACT FESTIVAL

Throughout the semester, the Grade 11 drama students have been rehearsing and preparing for a night of fun, satirical, and *eccentric* short plays written by famous playwrights such as Christopher Durang and David Ives.

This showcase is the culmination of months of rehearsal and so we are thrilled to invite you all to our One-Act Festival! You don't want to miss this evening of hilarity and chaos.

We are looking forward to seeing you all there December 20th and 21st

Doors open at 6:30 and the show starts at 7:00 with a 15 minute intermission

\$5 (any profits made will go back into the drama program)

PROM COMMITTEE & SAC FOOD DRIVE

From November 23rd- December 2nd, the Prom Committee and Malvern SAC are running a food drive to support Feed Scarborough and the Scarborough Food Security Initiative.

Students are encouraged to bring in a non-perishable food item to support the less fortunate members of our community.

FROM THE STUDENT SUCCESS & STUDENT SUPPORT DEPARTMENT

PEER TUTORING—VOLUNTEERS NEEDED

There is a HUGE demand for Peer Tutors right now! If you would like to help another MCI with their course work for volunteer hours, consider becoming a Peer Tutor. The sign up link is here: <http://bit.ly/MCIpeertutor>. If you would like to request to be paired with a Peer Tutor for extra support with your classes, you can sign up to become a Peer Tutee here: <http://bit.ly/MCIpeertutee>. Tutoring takes place in the library for a minimum of 1 hour a week. Tutors and Tutees can choose mornings (before school), at lunch or Tuesday after school.

EXAMS ARE BACK

After a few years without them, final exams will be returning at the end of Semester 1. One helpful strategy to help students prepare to be successful in exams is to complete tests corrections following an evaluation. It's not always easy to look at your mistakes, particularly if the evaluation didn't go as well as you had hoped, but taking the time to correct errors is an important part of the learning process. To assist with this process, please consider using one of the following [test correction templates](#).

CREDIT RESCUE ½ DAY - THURSDAY, DECEMBER 15TH

Teachers will be inviting students to attend a half-day of dedicated Credit Rescue support on Thursday, December 15th. Students coming to Credit Rescue will receive individual or small-group instruction aimed at helping students pass courses. Students not invited to Credit Rescue are not required to attend Malvern in the afternoon (classes will be dismissed at 12:00pm).

TDSB VIRTUAL COMMUNITY FAIR

The TDSB Social Workers are continuing to hold Virtual Community Fairs during 2022-2023 for Families/Caregivers who have children, youth and adults with special needs. [Check out our new look for the flyer!](#)

This Community Fair is open to all families and students with Special Needs attending TDSB schools. This includes those students integrated in regular classrooms, our Intensive Support Programs (ISP) in schools across the TDSB, as well as students attending our Congregated Schools.

There will be two sessions in December 2022. The first session will be held on Monday December 5th, 2022 from 9:30

a.m. to 12:00 noon, and the fair will be repeated in the evening on Monday December 12th, 2022 from 5:30 pm until 8:00 p.m. Please read the flyer for further details.

Along with TDSB support staff, we will have Holland Bloorview Kids Rehabilitation Hospital, Extend-A-Family. Respite Services, Woodgreen Community Services, and P4P Planning Network.

SEMESTER 2 DUAL CREDITS OPEN FOR REGISTRATION!

Are you in Grade 11 or Grade 12 and wanting a unique way to earn an elective credit? A Dual Credit might be for you! When you take a Dual Credit you are signing up to take a College Course through either Seneca College, George Brown College, Centennial College or Humber College. The courses available through Dual Credits are pretty fun and interesting. For example:

- ♦ Video Game Industry through Centennial College
- ♦ Forensic Psychology through George Brown College
- ♦ Sociology of Food through Humber College
- ♦ Anatomy & Physiology For The Practical Nurse through Seneca College

[Click here for the full link of available courses.](#)

You might be wondering why it's called a Dual Credit? This is because successful completion of the College course will earn you a College credit to use for later AND a Grade 12 elective credit to use towards your high school graduation. Did I mention that it is FREE?

If you have more questions or are interested in signing up, please email Ms Bourgard at lisa.bourgard@tdsb.on.ca

TVO MATHIFY

Did you know that students can sign up for free online tutoring through TVO's Mathify?

Be sure to register now to access tutoring from on Ontario Certified teachers, 7 days a week, until 9:00 p.m.

For all grades (even grade 12!)

[Register \(tvomathify.com\)](https://www.tvomathify.com)

Note: Students will need their OEN number (which is different from their TDSB Student number).

Only Malvern Students	 Peer Tutoring	 Teacher-Led Tutoring (Until December 23 Grades 9-11)	 Extra Help (Speak with your Teacher!)
All Students	 Mathify	 The Centre for Education in Mathematics and Computing	 Knowledgehook (Grade 9/10 only)
Math Supports For Malvern Students			

MATH SUPPORTS CHOICEBOARD

A reminder for all students taking math this semester (or preparing to take math next semester) that are many amazing math supports available!

Check out the choiceboard created by Student Success.

LOCATED IN THE AUDITORIUM
ADMISSION FEE: \$5

AN EVENING OF COMEDY AND CHAOS

UNIVERSITY OF TORONTO – HIGH SCHOOL ENGINEERING DESIGN COMPETITION

On Saturday, November 26, 14 students with a passion for all things STEM represented Malvern at the annual University of Toronto High School Engineering Design Competition at the Bahen Centre (St. George Campus). Participants first listened to keynote speaker Professor Scott Ramsay teach them the engineering design process, and then broke out into teams.

Students were tasked to design a solution for a real-world engineering problem. Teams then presented their solution to a panel of engineers, alumni, and professors.

The team led by Robin Krasinkiewicz, Erin Price, Syeda Mahdia, Violet Ives, and Ruby Currie **WON FIRST PRIZE** in “best overall design”!!!

Congratulations to all participants. The world needs more leaders in STEM like yourselves. Follow @mci_physics on Instagram for updates!

-Mr. Hang

From the Experiential Learning Department

The Beaver Computing Challenge (BCC) is a prestigious national competition run by the University of Waterloo each November. It is a problem-solving contest with a focus on computational and logical thinking skills. Questions are inspired by topics in computer science but only require comfort with concepts found in the mathematics curricula common to all provinces.

This year, over 10,000 of the keenest grade 9 and 10 computer science students from across Canada participated, including a group of 13 students from Mr Rao's Computing Club and our BTT10 classes. Our students trained hard to get ready for it and achieved some amazing results!

The preliminary results show that 6 of our students will earn awards of distinction for scoring in the top 25% of all participants, and the rest of our competitors were very close to achieving this honour. These are the best results Malvern has ever had in this competition (last year we had 3 students earn awards of distinction). The names of our top students will be published in the December newsletter once the results are official.

As you can see everyone had a good time and really enjoyed participating together.

Congratulations to all and keep computing!

Mr. Rao

Canadian Screenwriter and Filmmaker, Laura Stubbs, led an inspiring talk for students in Media Studies about women in film as well as exciting and unique careers in film and television (e.g. pyrotechnician, set decorator, colorist).

She also worked with students and provided feedback on their pre-production packages for their short films. It was an amazing learning experience to learn and receive feedback from an industry professional.

Thank you, Laura!

The students in the Introduction to Anthropology, Psychology and Sociology (APS) class had the fantastic opportunity of receiving two guest speakers to our class who came to share their knowledge and expertise in the psychology field.

Our first speaker was Jennifer Kapler who is a psychologist that works both in the TDSB and private practice. She spoke to us about her psychological approaches such as CBT (Cognitive Behavioural Therapy) and ACT (Acceptance and Commitment Therapy). She also spoke about the diagnosis and treatment of anxiety, depression and more.

Our second guest speaker was Dr. Steven Minuk, a psychoanalyst who practises privately in Toronto. Dr. Minuk was able to share many of the techniques he uses to explore the individual's mind, such as dream analysis.

Through these presentations, the students were able to learn about many of the different ways that psychologists work to understand behaviour and treat mental illness.

Therapy can vary from psychologist to psychologist and there are different treatments based on clients' needs. Most importantly, students were able to talk and reflect about some of the stigmas that are associated with mental illness.

By understanding that it is ok to talk about the way we feel and accepting that all of us can benefit from help (such as therapy), we will be able to fight these stigmas more effectively.

The APS classes recently visited the Aga Khan Museum and learned about Islamic art and culture. Students engaged in art-based learning that helped to broaden their understanding of the art of Muslim civilizations.

They also saw that Islamic artistic production varies across time and geographical boundaries. One of the goals of the trip was for students to understand that there is a wide range of Islamic art and that the diversity of many Muslim societies in the past helps us understand of diversity and plurality in Canadian and global societies. Students were also able to participate in a simulation activity where they explored how luxury goods and resources were shared and traded around the ancient world.

All in all it was a day full of fun and learning!

Jennifer Kapler

Dr. Steven Minuk

Malvern's School Council

Malvern's School Council meetings will be fully remote for the coming months.

Our next meeting has been re-schedule.

Please join us via zoom on Tuesday, December 6 at 7:00 o,n,

[https://tdsb-ca.zoom.us/j/94146749402?](https://tdsb-ca.zoom.us/j/94146749402?pwd=TUordFJBNVITb2QrWWZGZFNXWjhqQT09)

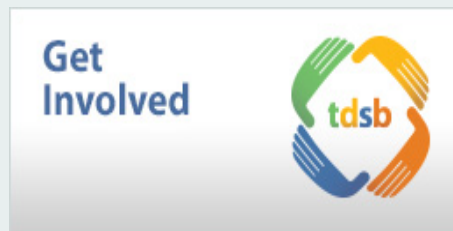

pwd=TUordFJBNVITb2QrWWZGZFNXWjhqQT09
