THE WEEK AT MALVERN

As we finish off week 2 we hope that you are all doing well. The change in weather has brought a crispness to the air, indicative of the coming fall. We're excited to share that we have many sports teams gearing up for an exciting season ahead as well as many other groups and clubs sending out information on sign up times and information sessions. These provide an excellent opportunity for your student(s) to get involved while fostering valuable friendships. As always, we encourage you to engage with your student(s) about their academic progress and extracurricular activities, ensuring a successful and enjoyable school year for all.
