## THE WEEK AT MALVERN

The first month has come and gone and we are officially into the fall season. That said, next week shows summer-esque weather and temperatures so we will enjoy the warmth while it is still here. The past two weeks have been packed full of events, including our first School Council meeting, grade 9 day and many assemblies, activities, discussions and lessons in support of the National Day for Truth and Reconciliation. We want to thank all of our staff who have given their time and energy towards these and other activities in support of our students.
