Families, please review the character trait Teamwork with your child – see reverse

January 2025

Your child is involved in learning activities designed to develop their character and help them make positive choices. Our focus this month will be on **TEAMWORK**.

What does teamwork mean to you?

Your child can show teamwork by:

- Helping to complete a household chore with other members of the family.
- Working with peers in a group to complete school assignments.
- Participating in a sport, co-curricular, or other activities, and working as part of a team to be successful.
- Taking responsibility in household chores for the benefit of the family.

Questions to discuss with your child:

- What does it mean to be a team player at home and to be an integral part of the family?
- How do you deal effectively with conflict when it occurs during teamwork?
- What are some ways to resolve conflicts that may occur during a team activity?
- Sometimes a teammate may have to make a sacrifice so that the team can succeed. What does this mean?

Projects to do together:

- Play games as a family to develop teamwork and good sportsmanship.
- Participate in sports or leisure activities together and encourage communication, including active listening.

Encouraging teamwork in your child:

- Stress the importance of teamwork and the aspects of being a team player that make being on a team worthwhile.
- Stress the importance of being willing to work and play with others at school, in the home, and in the community. Share a story that will help your child understand that sometimes “fair” does not mean “equal”.

Thank you for supporting our Character Development program.
