

JUNE NEWSLETTER

Message from the Principal/Vice Principal

Thank you to all of our students, staff, and parents/caregivers for your hard work and support throughout the school year. We have had a fun filled and busy school year at Malvern JPS full of learning; a variety of co-curricular activities and field trips/community excursions, as well as family based events such as Snuggle Up and Read Night, Welcome to Kindergarten and Family Wellness Night. This school year, we welcomed the addition of more school based events such as the Bike Rodeo, Scientists in the School in Kindergarten, the Digital Space Lab and Dance N Culture student sessions. Thank you to all of you for your contributions in making Malvern JPS the bustling and exciting place that it is for our students, families and staff – we are a school that is constantly on the move!

Congratulations to our Grade 6 students who will be moving onto the next chapter in their schooling as they enter Grade 7 in the Fall! We wish them all the best and look forward to hearing about their future achievements.

Thank you to our many parents/caregivers and community volunteers who helped supervise on field trips, supported our Grade 1/2 Volunteer Reading Program as well as other school based activities this school year, and who participated in our School Council and School Council events! We are thankful for the support we receive so that we are able

to run programs and events, as well as offer other enriching learning opportunities to our students. It takes a dedicated team to make this possible!

Special thanks to our School Council Executive: Chair – Bushra Shujaat, Treasurer – Faatima Hafejee, Secretary – Hanaa Dawood, and Saman Syed as well as other attendees for your support this school year. We are looking forward to our continued work together next school year supporting our Malvern JPS students and families.

The last week of August, the week before school begins, families will be sent an email providing information about the first day of school and where students are to meet their teachers.

Tuesday, September 2, 2025

Farewells

This June, we will be saying farewell to one of our long time permanent teachers at Malvern JPS as she heads into her well deserved retirement, Ms. March. Ms. March is a valued member of our Malvern JPS family and has taught French at Malvern for many years. Over her career, Ms. March has taught hundreds of students in various roles beyond French. Her dedication to the teaching profession and her love of teaching will follow her into retirement as she starts a new and exciting chapter in her life. We wish Ms. March all the best as she begins her retirement!

This school year we welcomed a few Long Term Occasional staff to Malvern JPS throughout the school year. We thank them for their contributions to our Malvern JPS community! Much appreciation to Ms. Hotaki (Grade 3) for her dedication to our students and for all of her hard work over the past few months, and Ms. Sivanayagam (Resource/Prep teacher) for her support and work with our students throughout the school. We hope to see these two wonderful educators back at Malvern JPS in the future!

Have a wonderful summer with your families, we look forward to seeing you in September!
