Hello,
 I'm the School Trustee for Scarborough East. As your Trustee, it is my role to maintain a focus on student achievement and well-being and to participate in making decisions that benefit the entire board district while representing your interests.

It is also important for me to communicate the views and decisions of the board back to parents and guardians and to let you know how I am supporting schools, children & families in our community.

To be an effective and meaningful advocate on your behalf, I need to hear from you directly, meet with you whenever possible, and involve you in the process of making the TDSB a better school board for everyone.

I will be holding Ward Forum meetings throughout the year, and I will attend your school council meetings whenever possible. Please invite me!

Don't hesitate to get in touch with me at any time. We can work together to ensure that Public Education works for everyone!
