Permission to Participate in Off-Site, Walking Excursions

Parent/Guardian permission is required for your child to participate in school-related walking excursions in the nearby school community and within walking distance of the school (e.g. walks to the local library, stores, galleries or parks). All such excursions must be approved by the Principal and supervised by TDSB staff. Where feasible, the school will notify parents and guardians of these activities in advance through the student planner, a newsletter, website or other communication.

I **DO** give permission for my child to participate in school-related walking excursions as described above.

I **DO NOT** give permission for my child to participate in school-related walking excursions as described above.

Student Media Release Consent (School/TDSB Events)

I, the parent/guardian, hereby agree and give my permission for the Toronto District School Board (TDSB) and/or partners to record, film, photograph, audiotape or videotape my child's name, image, student work, and performance (hereinafter collectively referred to as "Works") and to display, publish or distribute these Works for the purpose of publishing, posting on the TDSB website, posting in schools, posting on social media sites and/or for broadcasting on television or radio as determined by the TDSB.

I hereby waive any right to approve the use of these Works now or in the future, whether the use is known to me or unknown, and I waive any right to any royalties related to the use of these Works.

I understand that the Works may appear in electronic form on the internet or in other publications outside the TDSB's control. I will not hold the TDSB responsible for any harm that may arise from such unauthorized reproduction.

I **AGREE**

I **DO NOT AGREE**

Student Media Release Consent (Media Organizations)

I also understand that external media organizations may attend school events in order to photograph, film, audio-tape or videotape persons at the event for the purpose of being published and/or broadcast on-line, on television or radio.

I **AGREE** and give permission for my child to be photographed, filmed, audio-taped or videotaped by external media organizations at school-related events.

I **DO NOT GIVE** permission for my child to be photographed, filmed, audio-taped or videotaped by external media organizations at school-related events.

Permission to Leave School in Severe Weather Conditions (Grades 6-12)

In the event that severe weather conditions result in the cancellation of student transportation or the early closure of school for the day, your child will be required to remain in the School until appropriate transportation can be provided. With your permission, the School will allow your child to leave the school premises early. Supervision will not be provided and the school/TDSB will not be responsible for your child's safety or conduct if the student leaves the school premises.

I **DO** give permission for my child to leave the school early.

DO NOT give permission.

Use of Personal E-mail Address

Communicating via e-mail is a timely, efficient and environmentally friendly way for school staff to communicate with parents/guardians about important school information. Should you wish to receive school information via e-mail, please fill in the form below:

Parent/Guardian Email Address(1): _____

Parent/Guardian Email Address(2): _____

Canada's Anti-Spam Legislation (CASL) prohibits the sending of commercial electronic messages unless the sender has received the recipient's consent first. The Toronto District School Board (TDSB) and the School require your consent to send any electronic messages that promote, advertise or offer for sale anything including school pictures, yearbooks, uniforms, food programs, event tickets or entry fees, fundraising events or items, or similar events or offers to sell goods and services.

Please indicate your commercial electronic message preference below. You may withdraw your consent at any time by notifying the school. **Information provided will not be shared with a third party.**

I **DO** consent to receive commercial e-mails.

I **DO NOT** consent to receive commercial e-mails.

Medical Conditions

PLEASE NOTE: The content on this page is for information only.

Parents/Guardians are expected to review and update medical information with the school on an annual basis.

Medical Conditions Include asthma, fainting spells, history of head injuries, rheumatic fever, chronic nosebleed, feet or leg problems, migraine, seizures, diabetes, hemophilia/bleeding disorders, rash, sleepwalking, digestive upsets, heart problems, recent illness or operation, urinary infections, ear-nose-throat infections, hernia, dislocated shoulder; swollen, painful joints; 'trick or lock' knee or other joint disability, sickle cell disease, etc.

Life-Threatening Allergies

Anaphylaxis is a serious allergic reaction. It can be life-threatening. Food is the most common cause of anaphylaxis, but insect stings, medicine, latex, or exercise can also cause a reaction. The most common food allergens are peanuts, tree nuts, and seafood, egg and milk products.

The TDSB has created a policy and procedure to further support *Sabrina's Law* introduced in January 2006 and to take care of our students at risk of anaphylaxis. Under *Sabrina's Law*, the TDSB has developed:

- Strategies to reduce exposure to allergens.
- Procedures to communicate with parents, students and staff about life-threatening allergies.
- Regular training opportunities for all staff to deal with life-threatening allergic reactions.
- Emergency procedures to cope with the anaphylactic student, including readily-accessible treatment.

Each school also has its own individual plan for each student at risk of anaphylaxis, which includes maintaining a file of the student's medications and emergency contacts.

If your child suddenly becomes ill or has an allergic reaction, school staff will take the appropriate action. Please ensure your school has the most up-to-date emergency contact information. If your child has life-threatening allergies, or if your child needs to be given special medication throughout the day, please speak with your principal to discuss arrangements. For more information, please refer to TDSB Operational Procedure *PR563 – Anaphylaxis*:

Asthma

Asthma is a very common, chronic (long-term) lung disease that can make it hard to breathe. Asthma can be fatal without proper management and access to medications.

The TDSB has developed operational procedures to support the implementation of *Ryan's Law (Ensuring Asthma Friendly Schools), 2015*, which includes:

- Creating a positive environment for students with asthma.
- Special considerations for students with additional needs.
- Roles and responsibilities for elementary and secondary schools.
- Parents will provide school staff with up-to-date information about their student's asthma. Information should be provided to the school at the start of each school year.

For more information, please refer to TDSB operational procedure *PR714 – Asthma Management*:

<http://ppf.tdsb.on.ca/uploads/files/live/97/1983.pdf>

Diabetes Mellitus (DM)

Diabetes Mellitus, commonly referred to as *Diabetes*, is a chronic disease in which the body either cannot produce insulin or cannot properly use the insulin it produces. Without proper insulin management, glucose builds up in the blood stream and the body begins to break down fat to be used for energy. The body creates ketones and an excess of this material can result in severe complications that can result in coma and/or death. Effective practices in managing *Diabetes* in Schools include:

- Blood glucose monitoring/insulin injection.
- Proper timing of meals and snacks to maintain proper blood sugar levels. Students need the opportunity to eat all meals and snacks fully and on time.
- Emergency food supplies that include oral glucose, juice and/or fast acting sugar should be available in other locations in the school.
- Parent/guardian/caregiver provides, maintains, and replenishes all food and necessary diabetic supplies.
- The development of a Diabetes Management Plan for each student who is identified with diabetes. The plan will be implemented in accordance with the medical requirements for each student.

For more information, please also refer to the TDSB operational procedure *PR607 – Diabetes Management*:
