

Mason Mustang Round Up

March 22, 2024

This week's Mason Mustang Round Up features a class from our Kindergarten division.

Room 1 (Kindergarten w/ Ms. Ali and Ms. Patel) is working on a community inquiry. We are learning about who our land belongs to and what we have on our land. We are also learning about community helpers and what their role is in our community.

Each week, Mason Road Jr. P.S. will highlight something awesome that is going on in one of our three divisions (Kindergarten, Primary (Gr. 1-3), or Junior (Gr. 4-6)). We will rotate between the three divisions, so that each division has an equal amount of the spotlight shone on them.
