

Mason Mustang Round Up

March 28, 2024

This week's Mason Mustang Round Up features the fantastic work being done in our Primary division, specifically related to early reading. With the direct support of our Early Literacy Intervention Teacher (ELIT), Mason Road's school goal around developing our student's reading skills is being focused on.

Ms. Bradley supports Mason Rd., along with a handful of other schools, by working within our Gr. 1-3 classrooms. Her work develops reading skills within our early readers and supports teachers on the best, most current reading strategies.

Her tireless work and support has enhanced our primary classrooms and has had a direct impact on the students of Mason Road.
