Principal's Message

Dear Muirhead Parents and Guardians,

As we reach the close of another successful school year, we want to express our heartfelt gratitude to the entire school community. From the achievements in the classroom to the experiences outside the classroom, it was a year of growth, learning and resilience. Parents, your support and partnership have been invaluable. Your involvement in school activities, work at home, and support in our staff have made a significant difference in your children's education.

We would like to congratulate our Grade 5 students who will be moving on to the next chapter of their education as they enter middle school. We wish you continued success.

We would also like to express our gratitude to Ms. Singh for over 20 years of service in supporting the Muirhead community. We wish her many new adventures filled with joy on her retirement. We also wish Mr. Bernard all the best at his new school. Thank you for his hard work and commitment to our school. We also show appreciation for our long-term occasional teachers Ms. Tsimidis, Ms. Otlis, Ms. Goel, and Ms. Atkinson.

I want to thank everyone for all your support during my time at Muirhead. I have enjoyed learning and growing with you. To my dedicated staff, your passion and commitment to the Muirhead community is very inspiring. You have gone above and beyond to provide a nurturing and stimulating environment where every student can thrive. Your hard work and dedication do not go unnoticed, and I am deeply grateful for all you do.

On behalf of the staff, I want to wish you a fun, safe and relaxing summer holidays.

Sincerely,

Victor Tran

Muirhead Visits
HIGH PARK!

Mr. Bernard, Ms. Buckler and Ms. Sourial's classes recently enjoyed a fantastic field trip to High Park.

The adventure started with an exciting ride on the TTC and subway, giving the students a chance to experience using public transportation.

Once we arrived, we walked through the park, taking in the beautiful scenery and enjoying the fresh air.

We also visited the High Park Zoo, where the kids got to see a variety of animals and learn about their different habitats. It was a great way to connect what we've been learning in class about animals and nature.

One of the highlights of the trip was our visit to the Jamie Bell Playground. The students had a blast exploring the various play structures and letting their imaginations run wild. It was wonderful to see everyone laughing and playing together.

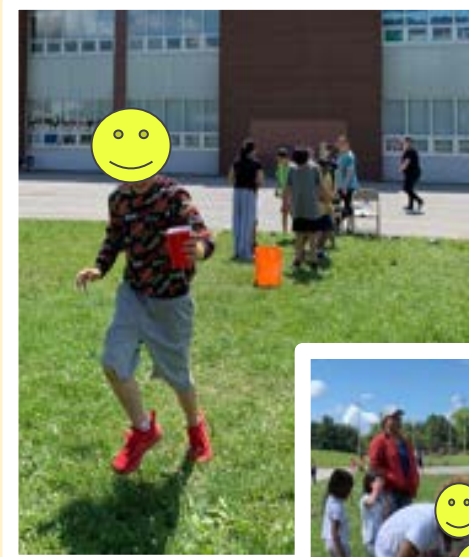

The day was filled with exploration, learning, and lots of fun, making it a memorable experience for everyone. This trip was a wonderful opportunity for the students to learn outside the classroom and appreciate the natural world around them.

Play Day!

Play Day was a hit this year! From kickball and obstacle courses to drip drip drop, everyone had a great time outside in the lovely weather! What a wonderful way to enjoy the weather before summer break!

Spring Fling

Parent council put on such an amazing event on June 20th. With carnival games, inflatables, snacks and more! The raffle baskets were also a hit and the winners were overjoyed when their names were called. Thank you to everyone involved for putting on such lovely evening!

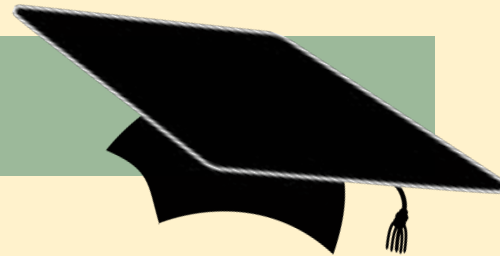

Graduation Trip: Visiting the Zoo

On June 18th, the graduating class of 2024 took their Grad trip to the Toronto Zoo! The grade 5s had a chance to see animals from all around the world and despite the very hot day, most of them came out of their enclosures to say hi!
