We will be having a STEM night, on January 16th, where families are invited to a showcase of the amazing work students have been engaging with in STEM! We would also love to showcase any family members who work in STEM for students to see how their families are reflected in the work of Science, Technology, Engineering and Math!

If you have a career/job in the fields of STEM please feel free to fill out the following template! Once you have filled it out and added your picture, please share it with karrin.huynh@tdsb.on.ca

Family Skate Night - School Council

Thank you to everyone who joined us at our Skate night. It was great fun and we look forward to doing it again next year.

Happy Holidays from the school council. We hope you all have a nice break and wish you a Joyous New Year!

Spirit Week at Nelson Mandela.

Each day this week staff and students dressed up for different themes. From wearing traditional or festive attire on Wednesday, to dressing to impress on Tuesday, ending of in the relaxed comfort of wearing pajamas to school. One Wednesday, there was a school wide Rock, Paper Scissors competition. I'd like to introduce to you the reigning, the undisputed, Rock, Paper, Scissors champion of Nelson Mandela!

I had the pleasure of losing to him early in the day. I knew I should have gone rock!

January Hot Lunch and Snack

Thank you for all the contributions to our lunch and snack program. Payments for Hot Lunch and donations for the Snack and Breakfast Programs are through [School Cash Online](#).
