Community Library Drop In - Thursday, February 29th - 3:45 - 5pm

This is a drop in for parents and families to get connected with reading programs in Regent Park. There will be tables set up with representatives from various groups (Book Bank, Read On, TPL, etc) and time for families to read together.

100th Day and Valentine's Day in FDKB

The students in FDKB (Ms. Arena/Ms. Connie's class) have been counting the school days since September. We had a 100th day of school celebration and represented the number 100 using hands-on materials and special treats!

We also learned about the importance of giving and showing kindness towards peers through the exchange of Valentine cards, and snacks brought in by parents and educators.

100th Day Photo & Activities

Valentine's Day
