Black Student Alliance to Escape Room

Our Black Students Alliance group recently participated in an Escape Room adventure centered around an intergalactic space alien. This activity was created to support our team building and collaboration skills through a series of challenging puzzles. Throughout the experience, we learned the importance of working together to achieve our common goal and avoid getting lost along the way. It reinforced the idea that teamwork makes the dream work.

(Claudio, Shalvi, Santana, Dylan, Saranya, Serenity, Jasmine, and Amira)

This was a perfect team bonding activity for all of us.

Hands On Exotic

Our classes partnered together for a visit from Hands On Exotic where our students got to meet and interact with different animals.

Yoga Club

Some of our grade 3-6 students have been learning about and practicing Yoga with Ms. Carlucci at lunchtime. They have been learning about the mind-body connection and how to calm ourselves using our breath, mind, and body. These students have been showing maturity, respect and enthusiasm for what the practice of Yoga has to offer!

Grade 4/5s Visit Jazz FM

Our grades 4 and 5 class had a fantastic time on our trip to Jazz FM. During our visit, we were given an informative tour of the station where they explained the process of how radio broadcasts are transmitted. We also had the opportunity to explore some of the audio equipment and learned about how it all works. The highlight of the trip was a short music workshop where we got to play the Ukulele. It was an enjoyable and educational musical experience for everyone! Ms. Brown's Grades 4 and 5 class!

Fire Safety Presentations

Josephine from Fire Services came and spoke with our classes about Fire Safety. They will be back on Monday to share with more classes.

NMPPS Library

Thank you to all of our readers this year - Mandela students checked out over 5300 books! A few of those are still at home or in backpacks - please find any borrowed books and return them on Monday.

Hoping that all of you spend lots of time at our local Toronto Public Library and the Book Bank this summer! We can not wait to welcome you all back to the library in September!

Opportunity: Caregiver & Community Experience - TPL & Summer Wonder

We are excited to share that we will be partnering with Toronto Public Library to offer a session for Caregivers and Community to build their understanding of the Summer Wonder program. This webinar, led by Toronto Public Library staff, where they will share diverse workshop experiences, camps, author visits, STEM & French programs designed to keep your child engaged in learning. Resources for Summer Wonder will be shared during this interactive webinar.

Summer Wonder

Learn, Create & Explore with Toronto Public Library

Summer is a great time to explore and discover new interests as a family. The library's Summer Wonder program offers free, in-person and online experiences to do together all summer long.

Check out our fun-filled workshops, camps, author visits, STEM & French programs designed to keep school-aged kids engaged in learning, because learning should be fun—especially during the summer!

Visit your branch to sign up for the TD Summer Reading Club starting on June 22, or participate online using the Beanstack app. Learn more at tpl.ca/readingclub

Participate in Wonder Workshops and learn about design thinking

Participate in the French Reading Challenge online. Ask staff how!

Explore more fun things for kids to do at tpl.ca/kids or on the TPL Kids Crowdcast channel!

Visit tpl.ca/summerwonder for more Wonder-ful things to explore as a family.
