In the style of Eric Carle with Art Access with Ms. Yerakarakos' Grade 1s

Rm 140 hosted Ms Sandra Tarantino, an artist from the organization **Art Access**. Students learned about the incredible signature media style used by Eric Carle in his famed picture books. Students spent the day learning how to use this technique to create their own pieces about pollinating animals.

Learning about Plants with Ms. Karrin's Grade 3s

Grade 3s in Ms. Karrin class have been learning about plants and their characteristics! This week we learned about the importance of flowers. Did you know that 35% of our produce comes from initially from flowers?!

While learning about the parts of the flower, students dissected fuchsia flowers to examine parts such as the pistil, stamen, sepal, petals and more!

Daily Announcements

Each morning at 9:20 AM we have our daily announcements. At that time we listen to the Land Acknowledgement, O Canada, Allyship Pledge and information related to the Days of Significance and Heritage Months. This is followed by announcements about what is happening in the school such as clubs and sports. Click on the link and you can read the same announcements that are shared each day with our students.
