

First Term Reports and Kindergarten Communication of Learning

On Wednesday, February 12th, you'll receive either your child's Kindergarten Communication of Learning report or a Report Card for Grades 1-8. These reports share your child's progress in subjects like math, language, and science, including their current achievement level and next steps for improvement.

Parent/Guardian-Teacher Interviews will take place on Thursday, February 13th (evening) and Friday, February 14th (morning).

Friday, February 14th is a P.A. Day, there is no school for students that day. Teachers will arrange meetings if needed, but you can also schedule one if you wish. Please contact the teacher directly to book a time.

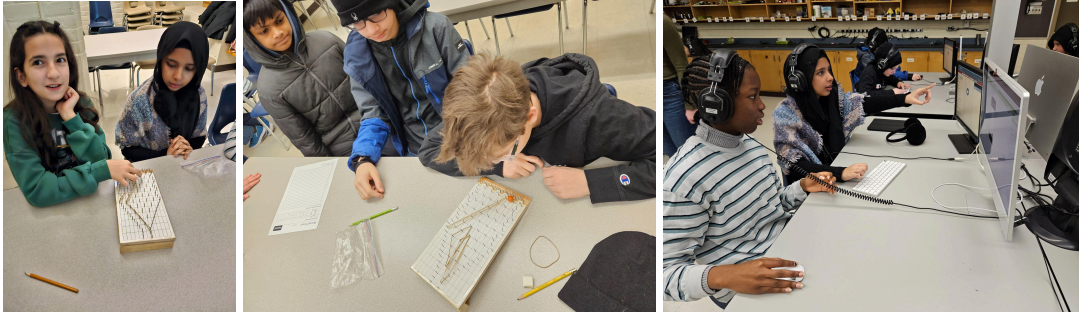

Blues in the School

On Wednesday 'Blues in the Schools' visited Nelson Mandela. We were treated to three lively performances! The band kicked off Black History Month with a celebration of history through '10 Songs That Changed the World'. It was so much fun!

Toronto Urban Studies Centre - Grade 8's

Last week, our Grade 8's took the TTC to Toronto's Urban Studies Centre (TUSC). Together we coded and designed a 'robot' and learned how to create new Apps. -Ms. Merkle

STEM & Sport - Grade 7's

The Grade 7's have completed their STEM & Sport program at MLSE Launchpad. The incredible instructors incorporated sport skills with coding, engineering and math; the Grade 7's were amazing participants and had an awesome time. If you haven't checked out the LaunchPad, you should! It has tons of free programming! -Ms. Merkley
