Girls Basketball

By: Chloe McAlpine, DeAnna Danu, Madelyn Anderson, and Lily Steele.

We are members of the Girls Basketball team at Norman Ingram Public School. Most of our team has been playing since grade three. Since the middle of October, we have been practicing almost every morning possible. We started off with a exhibition tournament against the grade sixes. We won 1 out of 2 of our games, which is pretty good for a school that has about 200 kids. We are the smallest school competing in our division (Division 1). We have a lot, of good dribblers, and players who have played basketball for a long time. Everyone on our team has a special talent, which makes it easy to play as a

team. We just played in a tournament where we won all 3 of our games. We are moving on and we hope to do well. In the first game at our grade 5 tournament, we were down by 8 points, and we all had to work really hard as team, and that ended up giving us a 18-17 win! We like to say that the first game was a warm up! In our second game, we did really well and won by 20 points! In our last game we were on a roll and won by over 20 points! We thank our amazing coach, Mr. Whittington, and Eric, who helps him coach. And you can't forget are maskot Ella! We are off to the Conference Champi-

We Scare Hunger Food Drive

Thank you to everyone who donated food to our ***We Scare Hunger*** food drive. We surpassed our 1000 pound goal by 265 pounds. Congratulations to our grade five **Me to We** leaders for showing great leadership skills in promoting and running our food drive campaign.
