Reminder that if you need to pick your child up early, it has to be before 3:00. The last half hour of the day is a busy time writing in journals and preparing to go home.

As winter approaches, Kindergarten teachers and staff are busy getting many children ready to go home. They need this time to assist all students into their winter clothing

Don't throw out your milk bags! We are currently collecting them for a high school, so that mats can be created and handed out to the homeless.

Every day students who are late sign in at the office and receive a late slip. We have taken on creating a new reusable late slip, so we won't be wasting as much paper!
