Message from Mr. Kennedy

For safety reasons, we need parents permission to allow your child to go home with someone else. Please make sure you call the office to inform us of who will be taking your child home.

After the snow storm the parking lot is smaller than usual. If at all possible, I ask that you avoid using the parking lot until our facility crew can move some of the snow drifts.

Mad Science night was a huge success ! We thank Dionne England and her team for organizing this great event for families.

Snowy Day of Fun...

Fresh, untouched snow Tuesday in the yard, was just too much for some and they couldn't control themselves (meaning Mr. Kennedy)! Longer recess filled with snow angels!

ECO NEWS

Help our eco team create wonderful bird feeders this winter. Our creative caretaker Glen has made the sample below, but we need help to collect the right sized containers. We are looking for washer fluid containers and vegetable oil containers (1.42litres), specifically the Metro brand. If you have any of these we would love to reuse them!

LEGO CLUB

Every Monday grade 1 and 2 students have the opportunity to join the lego club during lunch. Each week students are presented with a different challenge. During the first week, students needed to create something that represented them. It's amazing to see their creations!

Updates from School Council:

Mad Science Family Pizza Night!

Thank you to everyone who joined us last week for Mad Science Family Pizza Night! The kids enjoyed the show and we were able to raise \$975 to invest into our School. Special thanks to Dionne England and her team of volunteers for leading this event!

“Save the Date” for our Year End BBQ & Fun Fair!

Mark your calendars! **Friday, June 21** is the date for our annual year end celebration & fundraiser.

If you'd like to volunteer on this year's BBQ committee, or have items or services that you can donate, please contact Alison alison.anderson@rogers.com.

Year-to-Date Council Investments
