Principal's Message

As we come to the end of March and prepare for a shorter school week ahead, I want to take a moment to thank our students, staff, and families for all the care, energy, and support that continue to make Norman Ingram such a special place. With the weather finally beginning to improve and the arrival of April just around the corner, there is a sense of renewal in the air. Spring often brings with it a fresh start, and it feels like a good time to reflect on how we continue to grow together as a school community.

One of the highlights of this week was certainly the Pawsitively Pets visit for our Kindergarten students. It was such a joy to see the excitement on their faces and to watch them engage with such curiosity, gentleness, and enthusiasm. Experiences like these create lasting memories for children and remind us how meaningful and joyful learning can be.

This week also gave us important opportunities to continue reinforcing the values that help keep our school safe, caring, and inclusive. We have been speaking with students about not bringing expensive items to school and reminding them that bringing special items, or trading and sharing personal belongings, can sometimes lead to misunderstandings or conflicts. We have also had conversations about fair play outdoors, including the importance of including others, using kind language, and keeping rules consistent during games. These everyday moments matter, as they help students build strong character, develop healthy relationships, and contribute positively to our shared school environment.

Thank you, as always, for your ongoing partnership, encouragement, and support. It is deeply appreciated. As we move through this short week, I want to remind families that there will be no school on Friday, April 3 and Monday, April 6. I hope the extra days provide an opportunity for rest, family time, and recharging.

Warm regards,

Kosta Flegas
Principal

Significant Dates:

- April 3: No School (Good Friday)
- April 6: No School (Easter Monday)
- May 11: School Council Meeting
- May 14: Spring Choral Concert
- May 18, 2026: No School (Victoria Day)

- June 25: Last day for students
- June 26: No School (PA DAY)

Messages from our School Council:

1) Pizza Lunch Fridays:

- April 10
- April 17

EQAO Resources for Families

To help support math learning at home, families of students in Grades 3, 6, and 9 are welcome to explore a collection of EQAO math resources. These include archived EQAO questions, weekly practice questions, answer keys, and previous weekly questions that students can continue to work through at their own pace.

These resources are a great way for students to build confidence, review important math concepts, and become more familiar with the types of questions they may see. Families are encouraged to use them in a way that feels manageable and supportive for their child.

Students can also reach out to their teacher for support, and families may wish to access free online math tutoring through TVO Learn Mathify for students in Grades 4 to 12 ([TVO Learn Mathify](#)).
