## Message from Mr. Kennedy

Mr Kennedy says:

“Be prepared and Dress for the weather! We will be going outside in all types of weather!”

If picking your child up early, you must come before 3:00.

The last half hour of class is a busy time getting students ready to leave for the day and this alleviates class disruption during this time. We appreciate your help with this.

## Upcoming Events

*October 3rd—popcorn Sale—\$1*

*October 4th—Cross Country Meet @ Ear Bales Park*

*October 5th—PA Day*

*October 8th—Thanksgiving—No School*

*October 9th—Photo Day*

*October 11th—Fall Cleanup @ 1:30*

*October 12th—Pizza Lunch*

*October 16th- Cross Country Conference Finals*

*October 23rd—Grade 3's @ Pioneer Village*

*October 26th—Pizza Lunch*

## Cross Country

We have had a great start to our Cross Country season. It is amazing to see a turn out of over 60 students. Just a reminder that our first meet will take place on October 4 at Earle Bales Park. Grade 3, 4, and 5 students will be registered runners and will be given a number on the day of the race. Only these three grades will have the opportunity to advance to Conference Finals and Grades 4 and 5 to the City Finals. Grades 1 and 2 students will not receive a number and will only participate in the first meet with no advancement. Also we have received payment from many students for Norman Ingram shirts. The shirts are on order, and we will deliver them once we have them in stock.

Ms. Panela and Ms. Lam

## Lunch Lady

### New Lunch Program

We are happy to announce that we have a new vendor for lunch! Today your child will bring home information about registering and ordering hot/cold lunches from The Lunch Lady. I have been informed that our school will be up and running tonight for orders starting this upcoming Monday!

The program will be offered 5 days a week and you can choose any day you wish. The menu offers Halal, Kosher, vegetarian and healthy alternatives.

You won't only be treating your child by ordering - it will be a treat for parents not having to make lunch!

Lunches are delivered just before lunchtime and taken to the children. The school has nothing to do with the program so if you have dietary restraints or concerns please call The Lunch Lady and speak to Marlyn @ 905-470-2598

Log in to order: [www.thelunchlady.ca](http://www.thelunchlady.ca)

The Library has undergone a makeover!!! The space has become a multi-use area and has been rebranded as **The Learning Lab**. It is now much more in line with the Global Competency aspect of our School Improvement Plan. It has been set up to deliver S.T.E.A.M. and Inquiry Based Learning activities in a much more seamless fashion.

**S.T.E.A.M activities provide hands-on and minds-on opportunities for our students. It is an inquiry-based approach to teaching the Ontario Curriculum.**

**Global Competencies include Global Citizenship, Communication, Collaboration, Critical Thinking/Problem Solving and Creativity. These are all 21<sup>st</sup> century learning skills that we believe will prepare our students for future jobs that don't exist yet.**

Our tiny school has been on a transformational journey over the past few years, none of which would be possible without your generous and continued support. We could not tackle these learning expectations without the necessary technology and thanks to our hard-working school council, at the end of last year they approved the purchase some of the great technology below for the learning lab where I have the honour of collaborating with our awesome teachers to deliver S.T.E.A.M. lessons that encourage the 5 competencies.

Ms. Innocente
