REGIONAL TRANSPORTATION PLAN

- Since 2008, Metrolinx has been guided by its Regional Transportation Plan which is a multi-modal, long range plan for the GTHA
- Developed in consultation with municipalities, residents and many stakeholders across the region.
- Provides strategic direction for planning, designing and building a regional transportation network that enhances:
 - our quality of life,
 - our environment, and
 - our prosperity
- Review for Next Regional Transportation Plan now underway

The Big Move proposes to build over 1,200 km of rapid transit – more than triple what existed in 2008 – so that over **80 per cent of residents** in the region will live within 2 km of rapid transit

OVER \$30B IN INVESTMENT IN THE GTHA'S RAPID TRANSIT NETWORK

EXPANDING GO TRAIN SERVICE

- More service on all lines
- Electric trains, every 15 minutes or better in both directions, for most GO customers
- 23 more stations and line extensions to serve new markets

77 KM OF NEW LIGHT RAIL TRANSIT

- Under construction:
- Eglinton Crosstown
- In procurement:
- Finch West
 - Hurontario
 - Hamilton
- In design / planning:
- Sheppard East

52 KM OF NEW BUS RAPID TRANSIT

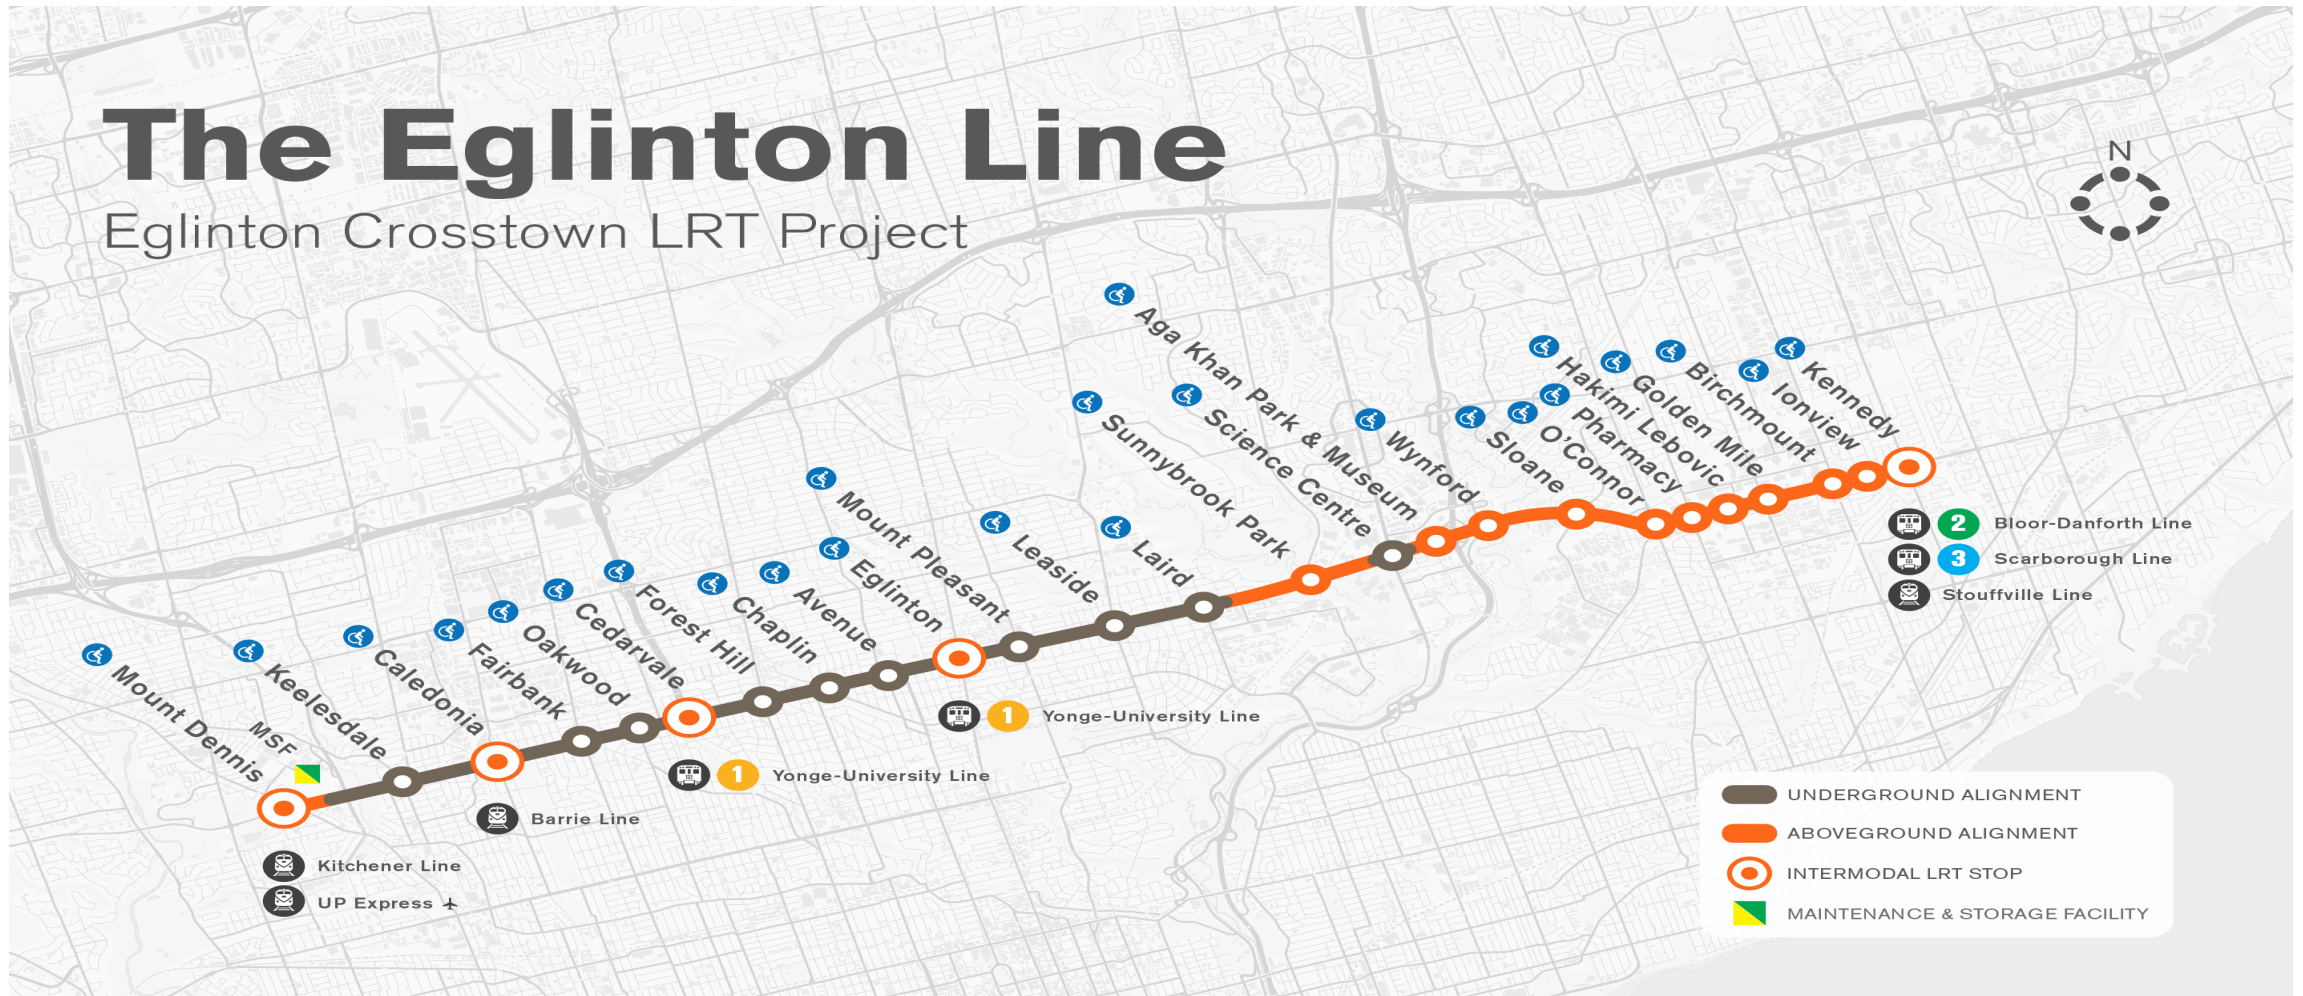

- Partially in-service, with remainder under construction:
- Viva in York Region
 - Mississauga Transitway

CONNECTING IT ALL TOGETHER

- Expanding and revitalizing Union Station, the heart of the regional network
- PRESTO now in use across the Region
