Locker Clean Out & Lock Removal

Students must have their lockers completely cleaned out by the end of the school day on Tuesday because **all student locks will be removed from lockers during exams**. Any items left in lockers after Tuesday will be discarded. Period 1 teachers will provide an opportunity for locker clean out on Monday or Tuesday. Students with period 1 spares should arrive early to empty out their lockers.

June Exam Schedule & Procedures

Families are reminded that regular classes end on Tuesday, June 18th. From June 19-25 only students with exams should be in the school. Students who travel on bus have received communication from [Ms. McGuirk](#) about bus arrangements during the exam period.

Several exam locations have been revised on the [Semester 2 Exam Schedule](#). Students and families are encouraged to **identify exam dates, times and locations**, and begin planning accordingly. Students with a conflict (2 or more exams at the same time) will be contacted by their Guidance Counsellor re: alternate arrangements. Students should review the [Student Exam Handbook](#) as well.

Physics Achievement

Over 3077 students worldwide participated in the recent edition of the University of Waterloo's Sir Isaac Newton Physics Contest. Northview's participating students achieved an average score, **twice that of the Canada and world average scores!** We are very proud of the three students who achieved the top scores at Northview and were recognized at our recent Achievement Awards:

- A. Sedaghat (99 percentile)
- T. Livadariu (96 percentile)
- J. Galutira (94 percentile)

Nelvana Celebration and Donation

The Grade 11 **Cyber and SHSM students** wrapped up their successful year with a celebration on Tuesday. They were joined by eight of the mentors from [Nelvana; a world leading international producer and distributor of children's animation and live-action](#). The mentors worked with teams of students to produce their animated shorts that were screened at Cineplex last month. This year Nelvana has provided professional guidance and a series of industry presentations.

The students were given gift bags and the school received a donation of five studio drawing tablets. There are exciting times ahead, with plans already being made for the 2024/25 school year!

Hindu Heritage Month Planning Committee Invitation

Hindu Heritage Month is recognized at the TDSB in November. A volunteer planning committee is established annually to fulfil the mandate which includes planning educational opportunities on further learning on the Hindu heritage as well as to enrich the curriculum resources. The current members of the volunteer planning committee are extending an

invitation to staff, and the TDSB community to join them in implementing this mandate and develop system-wide educational opportunities for our students, staff and the TDSB community.

At this time, we are inviting you to mark your calendars and attend a volunteer planning committee scheduled for Hindu Heritage Month for the next school year. The meeting will be **Tuesday, June 18, 2024** 5:30 pm - 6:30 pm Use this link to [Join the meeting](#) Meeting ID: 246 470 866 963 Passcode: Nbyoem Please direct queries to Dani Carnevale, Service Co-ordinator at dani.carnevale@tdsb.on.ca
