Northview Cares

This week our student council and various other student groups spearheaded the fantastic [Northview Cares Initiative \(that included a website\)](#) focussed on promoting unity, student voice, and equity within the Northview community. In support of this important student work, staff contributed [this video message](#) for students.

Northview on the CBC

Mr. Elvy Moro, who leads Northview's groundbreaking **Step to Construction** program, was featured on [Metro Morning on the CBC](#) recently. Mr. Moro spoke in depth about the value of trades training in the context of [recently announced funding for skilled trades training for young people](#).

Asian Heritage Month

Asian Heritage Month has been proudly recognized at the Toronto District School Board during the month of May since 2007. This heritage is also celebrated by the Province of Ontario with the royal ascent of the Asian Heritage Act, 2005 and across Canada since May 2002 when the federal Senate adopted a motion to officially designate May as Asian Heritage Month in Canada.

This year's theme for May 2024 was selected by the Asian Heritage Month Volunteer Planning Committee as ***Our Journeys: Thriving Through Struggle and Triumph***.

The TDSB is the largest and one of the most diverse school boards in Canada. Nearly one-quarter of our students were born outside of Canada and collectively we speak more than 120 languages. According to the 2023 Student Census 46% of TDSB students self-identified as Asian.

During the month of May, the Asian Heritage Month Volunteer Planning committee members are working together to assemble various educational opportunities and resources for our students, staff and TDSB community to further learn about Asian heritage. Stay tuned for these exciting offerings to be shared in the upcoming weeks.

All TDSB students were invited to participate in the Asian Heritage Month Poster Contest and the selected images will be posted soon. Further, all students, staff, and TDSB

community members are invited to join us at our upcoming Asian Heritage Month Virtual Launch Celebration.

Jewish Heritage Month

Jewish Heritage Month is recognized at the Toronto District School Board (TDSB) during the month of May. The TDSB's Jewish Heritage Committee's (JHC) program for 2024, as in previous years, is part of the committee's commitment to plan annual educational opportunities and enrich the curriculum for further learning about Jewish heritage and culture.

Each year we choose one grade or division to focus on with a program and in some years, we have been fortunate to work with other organizations to provide larger scale programs. This year, the Jewish Heritage Committee is focusing on students in Kindergarten to Grade 3 using the book The Mouse Who Danced the Hora by Pamela Mayer, illustrated by Christine Davenier, to teach our youngest students about diversity and equity through Jewish wedding traditions, and learning to dance the Hora.

Please follow the Jewish Heritage Committee on X: [@TDSB_JH](https://twitter.com/TDSB_JH)

Please visit the [JHC website](https://www.tdsb.ca/jewish-heritage) for announcements and other resources.
