### TDSB Animation Film Festival

This month, 120 Cyber and SHSM students participated in the first **TDSB Animation Film Festival**. Seven films were produced by the Grade 11 class with help from students in grades 10-12. The students were mentored by professional directors, animators, designers and writers from Nelvana; the animation studio and entertainment company. Graphics, animated idents and music that went in between each film were produced by Grade 9 students. They were assisted by grade 12 co-op students working in Graphic Design.

In addition to experiencing their work on the big screen, students also watched presentations from Lakeside Animation and learnt about an extensive range of studio careers, that included Law, Marketing, Audio Engineering and more.

The animations can be viewed online at the links below:

### Guest Artist / TDSB Creates / Student Art Exhibit

The Grade 10 Cyber classes have been working with interdisciplinary artist **Sarvenaz Rayati**. Students created Light Sculptures that were installed during the school's recent Arts Night. Many are now on display at Daniels Spectrum, 585 Dundas St. E, for TDSB Creates. The exhibition runs until June 2nd.

### Cyber Field Trips

Also in May, students took part in the **Ontario Skills Provincial Competition**. Students competed in Graphic Design and 2D Animation. The Grade 10 class had a downtown **Architecture and Gallery Tour**. The Grade 11s visited the Ontario College of Art & Design University GradX show and got to meet with former CyberGRADS completing studies in various fields.

### Cyber / SHSM Graduation

Congratulations to all grade 12 Cyber and Creative Centre SHSM students on completing the necessary courses and certifications to graduate the programs. We celebrated with family, friends and a live rock band. A huge thank you to all the staff and student volunteers that made this event possible.

### Italian Heritage Month: Video Submission - Sharing of Special Memories / Traditions

During the month of June, Italian Heritage Month is proudly recognized at the TDSB. This year's selected theme for Italian Heritage Month is **Sharing Our Stories and Embracing Our Future / Condividere le nostre storie e abbracciare il nostro futuro**. We are excited to share the many stories from Italian ancestors whose contributions helped shape our Canadian cultural mosaic. Italian stories and traditions reaffirm identity and connect us to one another. These stories allow us to walk for a moment in someone else's shoes, to see ourselves in others. Stories unite future generations while they evolve and create new customs and traditions for us to embrace. Together, the past, present and future will redefine what it means to be an Italian-Canadian.

**Seniors Month** is also celebrated across Ontario throughout June, and with this lens in mind combined with our theme of Sharing Our Stories and Embracing Our Future/Condividere le nostre storie e abbracciare il nostro futuro we're inviting all our TDSB students to submit a 2-minute video that:

- Expresses a special memory you have of your nonna/nonno (grandmother/grandfather) or an elder caregiver or
- Shares a tradition that you learned from your nonna/nonno (grandmother/grandfather) or an elder caregiver

The deadline is Friday, June 7, 2024 @ 5:00 pm Please see the [attached document](#) and contact [jessica.dalinda@tdsb.on.ca](mailto:jessica.dalinda@tdsb.on.ca) or [simona.emiliani@tdsb.on.ca](mailto:simona.emiliani@tdsb.on.ca) for information.
