### January Days of Significance

Happy New Year! - We recognize many dates of significance that are celebrated and commemorated in January. "Later this month, on January 21, is Lincoln Alexander Day. This day commemorates the Ontario-born trailblazer and former Lieutenant Governor of Ontario who championed racial equality in Canada. Lunar New Year will be celebrated by many Asian communities and cultures on January 29. Every year, the start of the lunar calendar symbolizes renewal, family and hope. January is Tamil Heritage Month, which recognizes the valuable contributions that Tamil Canadians have made to Ontario's social, economic, political and cultural fabric."

Please see more on the January Days of Significance recognized by the Ontario Government below –

- **January 1:** New Year's Day is the first day of the year in the modern Gregorian and Julian calendars.
- **January 4:** World Braille Day marks the birthday of Louis Braille and raises awareness about the importance of braille as a means of communication for blind and visually impaired people, as well as the full realization of human rights.
- **January 4:** National Ribbon Skirt Day is an opportunity to learn about and celebrate Indigenous cultures, traditions, histories and contributions as we work towards meaningful reconciliation. This day takes its inspiration from the story of Isabella Kulak, a member of Cote First Nation, Saskatchewan, after she was shamed for wearing her handmade ribbon skirt to a formalwear day at her elementary school. Traditionally worn by First Nations and Métis peoples, ribbon skirts are a symbol of identity, adaptation and survival for Indigenous women, girls and gender-diverse people. It also represents a direct connection to Mother Earth.
- **January 15:** This is the birthday of Dr. Martin Luther King Jr., a prominent U.S. civil rights activist and Nobel Peace Prize recipient. The most influential of African American civil rights leaders during the 1960s, Dr. King was instrumental in the passage of the U.S. Civil Rights Act of 1964 which outlawed discrimination based on race, colour, religion, sex or national origin in public accommodations, facilities and employment, as well as the U.S. Voting Rights Act of 1965, which prohibits racial discrimination in voting.
- **January 17:** Raoul Wallenberg Day commemorates the bravery of Raoul Wallenberg, a Swedish diplomat who saved thousands of persecuted Jews after opening a Swedish embassy in Budapest during the Second World War. In the six months he spent in Budapest, he helped save more than an estimated 100,000 Hungarian Jews from persecution – more than any individual, organization or government. This day is an opportunity to reflect on the atrocities of the Holocaust and honour the millions of victims, survivors and their families.
- **January 21:** Lincoln Alexander Day recognizes the Ontario-born trailblazer and former Lieutenant Governor of Ontario, who championed racial equality and paved the way for Black people to enter public service in Canada. In 1968, Alexander became the first Black person to be elected to a seat in the House of Commons. He went on to represent the riding of Hamilton West for 12 years and became the first Black cabinet minister when he was appointed Minister of Labour.
- **January 24:** World Day for African and Afro-descendant Culture celebrates the many vibrant cultures of the African continent and its diasporas around the world.
- **January 27:** International Holocaust Remembrance Day recognizes the anniversary of the liberation of Auschwitz-Birkenau, a concentration camp in German-occupied Poland during the Second World War. This annual day of commemoration honours the six million Jewish victims of the Holocaust and millions of other victims of Nazism.
- **January 29:** National Day of Remembrance of the Quebec City Mosque Attack and Action Against Islamophobia recognizes our commitment to eliminating Islamophobia and the remembrance of six people who lost their lives – as well as the 19 others who were seriously injured – during the 2017 terrorist attack at the Centre culturel islamique de Québec in Sainte-Foy.
- **January 29:** Lunar New Year /Chinese New Year/Spring Festival

## January is Tamil Heritage Month

The month of January is recognized by the TDSB as Tamil Heritage Month. This year's theme for Tamil Heritage Month is:

### Kinship:

யாதும் ஊரே யாவரும் கேளிர் // Yaadhun Oore Yaavarum Kelir

To us, all towns are one, and all people are our kin.

Toronto has the largest Tamil population outside of the South Asian subcontinent with thousands of TDSB students and staff members who identify as Tamil. The importance of building awareness, creating a strong self and collective identities, and understanding one's own roots and rights are important objectives of the Tamil Heritage Month volunteer planning committee. We are proud to recognize Tamil Heritage Month at the TDSB through various educational opportunities for students to learn about the history, culture, and traditions. For further information about Tamil Heritage Month, please follow on twitter to learn interesting facts on Tamil customs and traditions [@TDSB Tamil](#).

# COMMUNITY FRIDGE & PANTRY

Take what you need; Give what you can  
**FREE FOOD for EVERYONE**

## HOW IT WORKS

Community Fridge & Pantry (Fridge) is a neighbours-helping-neighbours initiative with no registration, no monitoring, judgment-free access to food for Bathurst-Finch residents and anyone who need items. Food is donated by local businesses, organizations and individuals. This Fridge is run by volunteers.

## WHY COMMUNITY FRIDGE

Who's Hungry 2023 report says that 1 in 10 people in Toronto visited food banks to make ends meet. 2.53 million visited food banks in Toronto - a 51% increase from 2022 and the highest annual increase ever recorded. Meanwhile, tons of edible, perfectly good food are thrown away. About 60% of food produced in Canada is lost and wasted annually; 32% of that food is edible and could be redirected to food insecure people in our communities. This Fridge gives access to food and reduces food waste.

## WHO WE ARE

Bathurst Finch Food Coalition (BFFC) is a grassroots/community network of residents, partners and stakeholders who lead access to healthy and affordable food in the Bathurst-Finch neighbourhood.
