### Connecting with Northview

Families are encouraged to download the [free School Messenger application](#) to communicate student absences directly with the school system instead of calling the school. Please call 1-833-250-2290 to communicate student absences/lates. The app also receives direct school communications (like this newsletter) for multiple students at multiple TDSB schools.

The app is a great alternative for families who have had School Messenger items going to their spam email folder, or have mistakenly unsubscribed.

*A powerful new way to stay connected to your student's school or district*
