### Cyber SHSM: Toronto Youth Shorts Film Festival

We are excited to announce that four Northview student films have been selected for the Toronto Youth Shorts' 15th anniversary film festival. The films were made by students in grade 11 for the *SHSM Animation Pool Festival* last May. **Congratulations to student directors: D. Hawash, C. Lewis, D. Rodneva & P. Shi Berman.**

Founded in 2009, *Toronto Youth Shorts* is a multi-event festival featuring the best films by the industry's future storytellers. The programming repertoire highlights many voices of different backgrounds, providing a true reflection of diversity. It takes place on November 1st and 2nd and will feature over 42 short films presented across five unique program lineups.
