Toronto Community Crisis Services

Toronto Community Crisis Services (TCCS) is now available across all neighbourhoods. TCCS provides a community-based, client-centred response to **mental health crises and wellness checks**, without police involvement.

With a trauma-informed approach, the service prioritizes healing and recovery, considering each individual's unique life experiences. TCCS is able to support individuals and families facing urgent mental health or crisis situations who are 16 years and older.

By dialing 211, anyone in the city can access this free, confidential service 24 hours a day, 7 days a week. As the Service is now available across all neighbourhoods, delivered by mobile crisis teams, it provides individuals with access to timely assistance, regardless of location.

In addition to immediate support, TCCS also offers:

- Referrals and connections to additional services
- Information and resources
- Post-crisis follow-up care

For more information, please visit the [Toronto Community Crisis Services \(TCCS\) website](#).
