French Speech Competition

Please join us in congratulating **Ryleigh, Ava, Aryaveer, and John** for their participation in the French Speech Competition on Monday, March 30th. Each student demonstrated exceptional dedication and delivered an impressive five-minute, fully memorized speech before an audience. They were also required to respond to two spontaneous questions in French, which they handled admirably.

Additionally, we are pleased to share that **Ryleigh, Aryaveer, and John** have advanced to the provincial level of the competition, which will take place on Saturday, May 2nd at York University's Glendon Campus. We extend our best wishes to them as they prepare for this next stage.

Culinary Arts News

Congratulations to **Israel Mapaderun**, who won the TDSB skills competition last month and competed in the Humber Regional Qualifiers this month, where he placed 5th! Well done, Israel, we are so proud of you!

Also, the **grade 11 baking classes** have put together another lovely display to celebrate the coming of spring! Let's watch the leaves come out on these twigs and make this display even more colourful!

Northview Jack Chapter

On Friday April 17th, the Northview Jack Chapter hosted over 200 grade 8 students from Fisherville, RJ Lang and Willowdale.

The students got to explore how to support their friends and classmates with mental health issues using the **“5 Golden Rules of the Be There”** certificate.

It was capped off by great Tov-Li pizza and a big game of Capture the Flag.

Guidance News:

Literacy for TDSB Families

In this [English/Literacy Newsletter for TDSB families](#), you'll find practical, easy-to-use strategies, activities, and tips that support literacy learning at home for all ages. Whether it's supporting early reading, building vocabulary, or encouraging meaningful conversations, these ideas are intended to fit naturally into your daily routines.

At the TDSB, we recognize families as children's first teachers and partners in learning. This newsletter is one way we aim to strengthen that partnership—empowering you with tools and ideas to help your child grow as a confident and joyful learner.

Automatic OUAC/OUAC Transmission date, April 21, 2026:

All potential graduates who currently have an OUAC and/or OCAS account are asked to check the academics section of their accounts the following week to ensure that all information is accurate. Students must see their guidance counsellor immediately if there notice any inaccuracies.

Ontario Student Assistance Program (OSAP) Information Evening:

Date: Thursday May 14, 2026

Time: 6:30-7:30

Location: Northview Heights S.S library

Know Your Worth Scholarship Opportunities for Students of African Heritage:

The African Heritage Month Planning Volunteer Committee and TDSB are committed to encouraging and supporting students of African heritage to further their post-secondary education. The African Heritage Month Volunteer Planning Committee is pleased to announce that students of African heritage who are graduating from a TDSB secondary school can now apply for the Know Your Worth Scholarships.

The scholarship offers three categories:

- Know Your Worth Kujichagulia Academic Award – Deadline is May 8 at 7 p.m.

Each award has a prize of \$2,000. The information package below explains the scholarship's eligibility, conditions, criteria, and submission requirements.

Challah Bake Event

Dear Northview Families,

We are delighted to be hosting our first ever Community Challah Bake to celebrate Jewish Heritage Month. Please view the information in the flyer: [May 14 Challah Bake Event](#), and register as soon as possible, as **this is only open to 30 Families on a first come, first serve basis.**

SAC ELECTIONS

The SAC Election process is underway. This year, there are 25 nominees for positions and it's great to see so many students interested in these leadership positions.

As the Student Activity Council is a democratically elected student group, there will be a campaign period from April 23rd through May 1st. **On May 1st**, all nominees will be making speeches at SAC Election assemblies so our voting population (grade 9, 10 and 11 students) can hear directly from candidates. Voting by paper ballots will also take place on May 1st.

Free Afternoon Snacks

Beginning on Monday, April 13th, hungry students will be able to pick up fruit and other snacks in the front foyer at the end of the day. Many thanks to the [Toronto Foundation for Student Success](#) for their continued generous support of Northview's Nutrition Program.

Building Black Futures in Architecture Scholarship & Mentorship Program

The Centre of Excellence for Black Student Achievement is excited to share information about the 2026 Building Black Futures in Architecture Scholarship! The Building Black Futures in Architecture Scholarship recognizes two exceptional secondary school students who demonstrate both academic excellence and a genuine passion for architecture.

Through the generous donations of architecture partners, the two scholarships are **valued at \$48,000** (\$12,000 over four years) for two graduating Black students entering an architecture degree program. Applications are now open and close **May 15 at 11:59 p.m.** Please see below for information about the upcoming virtual information session:

- Meeting link will only be shared with those who register

TELUS WISE Presentation

As part of our Northview Cares week promoting positive mental health and well-being from May 4th to 8th, it is important to address the impact of the digital world on the lives of adolescents. Guided by PPM 170 and TDSB PR 589, which emphasize student well-being and responsible technology use, we are excited to be hosting a TelusWISE Presentation on Monday, May 4th during Period 1 for approximately 20 classes. Julie Moran-Illes, a TelusWISE Ambassador, will be engaging teens in a conversation about building and maintaining a healthy relationship with technology, and she will be offering tips on ensuring resiliency and well-being in our connected world. TelusWISE is a TDSB Educational Partner, and further resources for students, parents and staff can be found online at <https://www.telus.com/en/wise>.

MADD CANADA ASSEMBLIES

On Monday, April 27th, we are hosting a MADD Canada Presentation for senior students (Grade 11 and 12). The presentation, including powerful video dramatization, will address the dangers of driving under the influence and risks involved with substance abuse. Grade 11 classes will be attending the assembly during period 1, and grade 12 classes will be attending the assembly during period 2.

MADD stands for Mothers Against Drunk Driving, and staff are asked to watch the preview video in advance found [here](#). A promotional video for the assembly is also available [here](#). If teachers are interested in further discussions with their classes, there is also an Educator's Guide that can be accessed [here](#).

Once we have established how many seats are taken up by senior students in each assembly, a sign up list will go out to grade 9 and 10 classes if space is available.

We know this is an interruption at a busy time of the year, but the messaging is very relevant and important for our youth. As always, thanks for your support!

Presentation Information:

Youth and school programming have been a key component of MADD Canada's youth services, education and awareness initiatives since 1994. The programs are designed to communicate directly with young people on their level and in their language and encourage them to take a closer look at their values and perceptions. MADD Canada's School Presentation is a powerful dramatization about the tragic consequences of impaired driving. The video ends with testimonials from real-life victims who share their heartbreaking stories with the audience. MADD Canada's School Presentation targets students in grades 7 through 12.

Virtual ASD Afterschool Skills Development Program - Spring 2026 Registration

The spring 2026 session of the Autism Spectrum Disorder (ASD) Virtual Afterschool Skills Development Program will run from **March 24 to June 9**. The program is open to students in grades 4 to 10 with an ASD diagnosis.

Principals have been asked to share the [ASD Afterschool Skills Development Program letter](#), with parents and caregivers of eligible students.

Registration closes on March 6.

Student Absences

Families are reminded to inform the school of an excusal for their child when absent, in order for the attendance records of students to be accurate.

Parking and Vehicle Safety

Student safety is our highest concern at Northview. Each year we observe risky driver behaviour when students are being dropped off and picked up from school. Families must note the following:

- The WEST side parking lot is designated for TDSB Staff parking only. Student drop-off or pick-up **should not be attempted in the West Parking lot.** Use the Esther Shiner Stadium parking lot, Virgilwood Drive of the Ailsa Craig Parkette .
- Student drop off on Finch Avenue is dangerous. Do not use the TTC lane or make U-turns on Finch Avenue when dropping off students.
- The NHSS “Kiss and Go” drop-off/pick-up loop is located in our EAST side parking lot and we ask that **ALL student drop-off and pick-up occur in the EAST side parking lot.**
- Please do not block the school bus drop off/pick up area in the northeast area of the school.
- Student parking will be limited to a small number of spaces in the rear of school - accessible via the east side parking lot on a first come, first served basis.

Drop-Off & Pick-Up Zone

DROP OFF

Please use the drop off and pick-up zone at Northview to drop off and pick-up your child

TDSB Outdoor Education Summer Camp Opportunities

Our Outdoor Education Centres are once again excited to offer overnight camps this summer at the Scarborough Outdoor Education School (SOES) in Kearney and at the Island Summer Camp at the Island Natural Science School. Feel free to share these [Camp Kearney](#) and [Island Summer Camp](#) posters and links with information with families.

Volunteering for Yorkview Annual Fun Fair

It's that time of year again!

Yorkview Public School is excited to host their Annual Fun Fair on June 6th, 2026. This event is a wonderful example of our community coming together to create a fun and engaging experience for students and families, while also raising important funds to support school programs and initiatives.

We are looking for enthusiastic volunteers who are willing to contribute their time, skills, and energy to help make this year's Fun Fair a memorable success for everyone involved.

If you are interested, please sign up by clicking the link below.
