## First Prize at the Annual CETA Robotics Competition

Northview Heights' team showed excellence in computer engineering by developing an autonomous line and winning first prize at the annual CETA Robotics competition held at York Mills CI on 6<sup>th</sup> May 2026.

Designed to foster skills in mechanical and electrical design, students were required to program the robot to accept sensory information, respond and complete challenges like Running the Fairway, IoT and Collision Avoidance, and Bucket Challenge. Kudos to the team for their commitment to experiential STEM education at Northview.

## CPA No Limits Conference

Northview accounting students attended the CPA No Limits Conference. It was a great opportunity to network with accounting/finance professionals, meet post-secondary recruiters, and collaborate on business case studies with students from all over the GTA at the Metro Convention Centre.

## National AccessAbility Week - May 31 to June 6

Established in 2017, [National AccessAbility Week](#) celebrates and highlights some of the important initiatives aimed at creating an Accessible Canada.

### Easter Seals Red Shirt Day - June 3

- [EasterSeals Red Shirt Day](#) is an annual event in celebration of National AccessAbility Week. It is a day when people across Canada come together and wear red in schools, workplaces and spaces everywhere to create a visible display of solidarity.

Save the date!

**Red Shirt Day 2026 takes place on June 3.** Easter Seals Red Shirt Day helps show their support for persons and families of those who are living with disabilities, celebrate the achievements of people living with disabilities, and pledge a commitment to help create a fully accessible and inclusive society that honours and values the contributions of people of all abilities in all aspects of life in Canada.

### Student Device Program (SDP)

#### Attn Grade 12's!

All Student Devices / Chromebooks, including their power supplies, must be returned by June 22 to the library.

This applies to all devices assigned to graduating Grade 12 students and any other students leaving the TDSB.

### Parking and Vehicle Safety

Student safety is our highest concern at Northview. Each year we observe risky driver behaviour when students are being dropped off and picked up from school. Families must note the following:

- The WEST side parking lot is designated for TDSB Staff parking only. Student drop-off or pick-up **should not be attempted in the West Parking lot.** Use the Esther Shiner Stadium parking lot, Virgilwood Drive off the Ailsa Craig Parkette .
- Student drop off on Finch Avenue is dangerous. Do not use the TTC lane or make U-turns on Finch Avenue when dropping off students.
- The NHSS “Kiss and Go” drop-off/pick-up loop is located in our EAST side parking lot and we ask that **ALL student drop-off and pick-up occur in the EAST side parking lot.**
- Please do not block the school bus drop off/pick up area in the northeast area of the school.
- Student parking will be limited to a small number of spaces in the rear of school - accessible via the east side parking lot on a first come, first served basis.

### Drop-Off & Pick-Up Zone

**DROP OFF**

Please use the drop off and pick-up zone at Northview to drop off and pick-up your child
