Northview's Own Arianna Sluga Bounces to the Top: 4x National Trampoline Champion!

There is talent, there is dedication, and then there is **Arianna Sluga**.

Northview Heights Secondary School is incredibly proud to celebrate the phenomenal achievements of Arianna, a standout student-athlete in our **Academic Program for Gifted Athletes (APGA)**. Arianna recently returned from the **Canadian National Championships** for trampoline, and to say she dominated the field would be an understatement.

Breaking Records and Defying Gravity

Competing against the country's best, Arianna secured a spectacular **first-place finish** in the Junior division—the absolute pinnacle of competition for athletes aged 16 and under in Canada.

With this latest victory, Arianna has officially cemented her legacy as a **four-time National Champion**, having captured the top title twice now in the fiercely competitive Junior level alone.

"I came first in the junior level which is the best you can be for 16 under in Canada. This competition made me a 4x national champion, twice in the junior level." — *Arianna Sluga*

Balancing elite-level training with high school academics is an incredible feat, but through the APGA program, Arianna continues to prove that the sky is truly the limit.

Next Stop: Europe!

Arianna isn't catching her breath just yet. Instead of taking a well-deserved break, she is packing her bags to represent our country on the world stage. At the end of this month, she will be heading to **Switzerland and Portugal** to compete as a proud member of **Team Canada**!

Show Your Phoenix Pride

- **Send Her Off:** If you see Arianna in the halls before the end of the month, be sure to wish her luck!
- **Follow Her Journey:** Keep an eye on the school announcements as we track her international progress across the Atlantic.

Congratulations, Arianna! The entire Northview community is soaring with pride. Bring home the gold!

Girls' Flag Football Championship

Congratulations to the Girls' Flag Football Team for winning the Championship against Weston Collegiate Institute!

We are so proud of you!

Recognition Awards Ceremony and Reception

Congratulations to our Award Recipients!

The Recognition Ceremony and Reception was held on Friday, June 5, 2026 in the Library.

Thank you to Ms. Juruc and Ms. O'Brien for organizing and delivering a memorable event for students and families.

**Mr. Mitchell's Period 1 Cooking Class**

Students completed their Culminating Activities on Friday, June 5, 2026.

Check out Adreana's table setting and Sunny's table setting below:

Locker Clean Out

All lockers must be emptied by Tuesday, June 16th. On Monday June 15th in period 2, students will be given a few minutes to clean out their lockers. Grade 9-11 students are strongly advised to keep their locks over the summer for use next school year. Grade 12 students may donate their locks in the main office.

Exams & the end of the semester

The [June exam schedule](#) for June 17-23 has been published. **Tuesday, June 16th is the last regular school day of the semester and daily bussing.** From June 17th to 23rd students should only be in the school in the morning of their exam days. All exams begin at 9am. Families are encouraged to plan together for their student's exams and exam review. All students are to return to school in the morning of June 24th to review their exams and final marks.

Student Device Program (SDP)

Attn Grade 12's!

All Student Devices / Chromebooks, including their power supplies, must be returned by June 22 to the library.

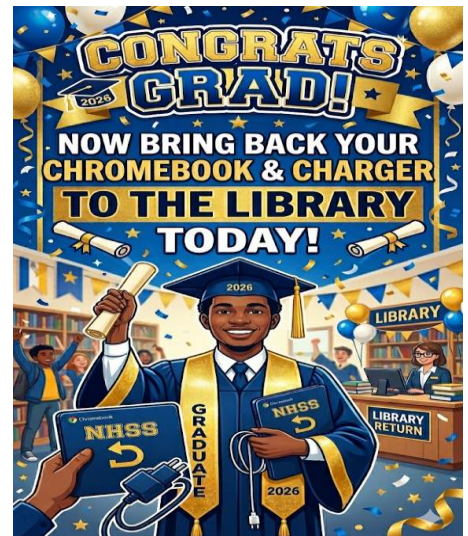

This applies to all devices assigned to graduating Grade 12 students and any other students leaving the TDSB.

Grade 12 Student Device Program Chromebook Collection

All Grade 12 students participating in the Student Device Program are expected to return their Chromebook.

Information for Students Taking a TDSB Summer school course:

- Grade 12 students taking a TDSB-provided summer course will be able to retain their device.
- Students taking a summer course will be required to complete an agreement that includes returning the device in good working order to their home school prior to September 8, 2025.
- The agreement will be shared digitally with Grade 12 students registered for a TDSB summer course in mid-June and this data provided to schools.

For students who need to return their chromebook, please see the schedule below as to when your device can be dropped off to Northview:

Monday June 29 th	Tuesday June 30 th	Thursday July 2 nd	Friday July 3 rd
9 a.m.-12 p.m. Main Office	9 a.m.-12 p.m. Main Office	9 a.m.-12 p.m. Main Office	9 a.m.-12 p.m. Main Office.

****Please note:** If you are a Grade 12 student, who is not taking summer school, and you do not return your device, your account will be locked.

Please ensure you save any important information prior to July 1st, as you will no longer have access to your drive or email.

Community Safety Reminder

Following an incident that took place involving a suspicious man approaching a student off school property, we would like to share the following safety reminders with families. The student did the right thing and immediately reported the incident to a trusted school staff member, and the incident was reported to the Toronto Police.

At Northview, our staff regularly reinforce safety precautions with students. We are fortunate to have several safety initiatives, programs, and policies that contribute to a safe and caring school. However, most incidents happen away from school, or outside of school hours. We want to emphasize to all students, staff, and parents/guardians the importance of awareness and the need for extra care in even the most ordinary and everyday routines, no matter where you are.

Of course, safety is a shared responsibility, and we encourage families to continue to review street proofing tips together, which you can access on the [Toronto Police website](#).

We ask everyone in our school community to immediately report any suspicious or unusual occurrences to the office, to one of our staff, or to the police as appropriate. With the help of our students, staff, and community members, we can help maintain a safe learning environment.

Final Interactive Daycare Activity

Mrs. Brand's HPW3C class had their final interactive daycare activity set up for Northview's toddler kids. Lots of fun learning how to engage young children for intellectual and social growth.

Creating a Pollinator Habitat by Northview's Gardening Club!

Northview is creating a pollinator habitat garden with a **\$3000 PollinateTO Grant from the City of Toronto!**

Thanks to Gardening Club President Margaret L. and Ms. Holt for their hard work on this project.

Beginning this year, Northview's Gardening Club will be establishing pollinator habitat at the front of our school. Pollinators play an essential role in local biodiversity, and by planting native plants, using sustainable landscaping practices, and engaging our community, we will contribute to the important stewardship work of protecting Toronto's pollinators. We will be back in September and looking for more Gardening Club members to join us! 🌱

TDSB Outdoor Education Summer Camp Opportunities

Our Outdoor Education Centres are once again excited to offer overnight camps this summer at the Scarborough Outdoor Education School (SOES) in Kearney and at the Island Summer Camp at the Island Natural Science School. Feel free to share these [Camp Kearney](#) and [Island Summer Camp](#) posters and links with information with families.

**Guidance News:**

DUAL CREDITS – Take a College Course while still in High School – Summer & Fall Registration has opened.

What is a Dual Credit?

- A dual credit is a **college course**, delivered on a college campus, by a college professor which you add into your regular homeschool timetable.
- They are called **DUAL** credits because students earn **TWO** credits: a secondary high school credit AND a college credit
- Dual credits require **half the in-class time** as a traditional high school course and are offered once per week for a 3-4 hour block of time.
- Dual credits are **FREE** - tuition, transportation and supplies are all included
- Course offerings include a **huge array of interest areas and potential careers paths** which go above and beyond what is offered at high school, many are lab or shop based with hands on experiences. While others provide you with a lecture style format in a college classroom.
- Dual credit programs are intended to assist secondary school students in completing their OSSD and supporting a successful transition to college and/or apprenticeship programs.
- Students in Cooperative Education, Specialist High Skills Major (SHSM) programs and students in the Ontario Youth Apprenticeship Program (OYAP) may also be eligible to participate in dual credit programs.

Website: [Dual Credit Overview](#)

Information Video: [Dual Credit Video for Students in the TDSB](#)

Summer & Fall Offerings: [Dual Credit Offerings](#) (Click on Fall or Summer Tab for your options)

Spaces are limited. If interested, complete the [Expression of Interest Package](#) and bring it to **Ms. Allison in the Guidance Office.**

*** If you are looking for the fall, this program works well for students who are taking Co-op. 1st priority is given to grade 12s but if space is available, grade 11 students are eligible.*

Summer School Parent Consent Forms and Uploads:**Attention Students and Parents/Guardians:**

Students must submit their signed parent/guardian consent form to their guidance counsellor in order to be approved for summer school. Without this approval, students are not enrolled.

Also, Students are expected to sign back into their summer school accounts and upload a copy of the signed form.

Please click [LINK](#) for Summer School Information (posted in all grade level Guidance Google Classrooms).

Attention Potential Graduates who have an OUAC and/or OCAS Account:

Semester Mid-term marks have now been uploaded into student accounts. It is the responsibility of the student to check their accounts for accuracy.

See Important Message posted in the grade 12 Guidance Google Classroom below:

- Mid-terms marks should now appear on your accounts. Please see Ms. Tanrikulu as soon as possible if you see any errors or if something is missing.
- If you are taking private school course, your private school principal should have uploaded the course and mid term mark, and you should be able to see it.
- If you are taking a night school course with another school board (e.g. TCDSB, etc.) you should have been sent your mid-term report card. Please bring this mid-term report card to
- Ms. Tanrikulu as soon as possible so that the mid term mark can be added.
- Also, for OUAC accounts, make sure you see, "Will achieve OSSD..."

Literacy for TDSB Families

In this [English/Literacy Newsletter for TDSB families](#), you'll find practical, easy-to-use strategies, activities, and tips that support literacy learning at home for all ages. Whether it's supporting early reading, building vocabulary, or encouraging meaningful conversations, these ideas are intended to fit naturally into your daily routines.

At the TDSB, we recognize families as children's first teachers and partners in learning. This newsletter is one way we aim to strengthen that partnership—empowering you with tools and ideas to help your child grow as a confident and joyful learner.
