CURRENT WEEK

March 16 to 20

March Break

NEXT WEEK

Mon. March 23

- Welcome back!
- PTI Volunteer Meeting, 12:00 p.m. in Auditorium

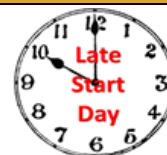

Tues. March 24

- SST Meeting, a.m.

Wed. March 25

- Late Start**, 9:55 a.m.
- Staff meeting 8:45 a.m.
- PTI Volunteer Meeting, 3:30 p.m. in Auditorium
- North Region Badminton Vs. Westview -Centennial, 3:30 p.m. at Northview

Thurs. March 26

- Early Dismissal at 1:00 p.m.
- Parent/Teacher Interviews, 2:00 to 4:00 p.m. & 6:00 to 8:00 p.m.

Fri. March 27

- Late Start**, 9:55 a.m.
- Credit Rescue
- African Heritage Assembly
- EnerCare Centre, Field Trip

Long Range Planning:

Mar. 20 - **Nowruz** (The first day of spring)

Mar. 29 - Martha Arima's Celebration of Life

Mar. 30 - Fire Drill

- IST, p.m.

- UK Visitor Friendly Soccer Games (Period 3 & 4)

Mar. 31 - OSSLT

- Euclid/Math Contest

- Equity Meeting, 1:00-3:00

- North Region Badminton Vs. Downsview SS, 3:30 p.m.

Apr. 1+2 - OSSLT

Apr. 1-9 - Passover

Apr. 01 - Fryer/Galois/Hypatia Math Contests

Apr. 02 - Caring & Safe School Meeting-Lunchtime

Apr. 03 - Good Friday (Holiday)

Apr. 06 - Easter Monday (Holiday)

Apr. 07 - Leadership Team Meeting, 3:30 p.m.

- School Council-School Improvement Plan Meeting, 6:30p.m.

Apr. 8-9 - Play Performance

Apr. 09 - Caring & Safe Meeting, Lunch in Library Sem. Room

Apr. 08 - ROM, Fieldtrip

Apr. 15 - Cineplex, Fieldtrip

April 20 - Fire Drill

Apr. 30 - Ripley's Aquarium, Fieldtrip

Brightspace Workshop

Thank you to Ms. Lainas-Hayward for leading the Brightspace Workshop for parents on Tuesday, March 10, 2026 in the library. The workshop was informative and educational.

MSA Iftar Night

We'd like to thank everyone who joined us for our first Iftar Night in several years. It was a beautiful evening that brought our community together to share the beauty of Ramadan—a month centered on reflection, gratitude, and togetherness. The night was filled with laughter, connection, and a variety of engaging activities. There was a Kahoot, heartfelt messages to our Gratitude Tree, a henna station, a gallery walk highlighting Ramadan traditions, and memories at the photo booth.

We were also grateful to enjoy a delicious meal catered by our neighborhood favourite, Döner Station Kebab, whose generous portions and flavourful dishes helped make the evening even more special.

On behalf of the entire MSA team, we want to express our sincere appreciation to the staff and students who dedicated their time and energy to planning, setting up, and supporting the event. Your efforts made the night not only possible but truly memorable for everyone who attended.

Social Media & Safety:

A Parents' Roadmap-March 30th, 2026 6-8pm Taylor Creek P.S. (644 Warden Ave. Scarborough)

Social Media & Safety: A Parents' Roadmap is an engaging evening for parents and caregivers to better understand the digital world young people are navigating every day. We will talk openly about online exploitation, sextortion and AI, and harmful digital behaviours, while keeping the focus on practical, realistic ways to support children's safety and well-being online.

This session is about building confidence, not fear. You will leave with clear strategies, conversation starters, and tools to help your child make safer choices, set healthy boundaries, and know when and how to ask for help. To Register for the event, please click here: <https://forms.gle/DFxZAdPcrcz5Ghqx8>

Food will be served, childcare is available, and community partners will be present. We hope you will join us for an evening of learning, connection, and shared care.

For any further questions, please contact mentalhealthandwellbeing@tdsb.on.ca

Parent-Teacher Conference Information

We will be holding Parent-Teacher Interviews on Thursday, March 26th from 2:00 - 4:00 pm and 6:00 – 8:00 pm. This semester, you will be able to schedule your Parent-Teacher Interviews online. If you wish to schedule a meeting with any of your child's teachers, please follow the instructions printed further down the page.

You will be able to schedule appointments starting March 4th at 12:00 noon until March 25th at 12:00 noon.

Instructions

1. Prepare a list with the names of each teacher you would like to meet
2. Go to the Northview Heights scheduling website at [Booking Appointment for Parent-Teacher Interview](#)
3. Enter your child's 9-digit student number and click "Sign In"
4. Fill in your contact information and click "Continue to Make Appointments"
5. Click on the name of a teacher with whom you wish to schedule an appointment
6. Click on an "Available" time at which you wish to meet with that teacher
7. Repeat Steps 5 and 6 until you have scheduled all the teachers you wish to see
8. Click on "My Schedule" (top left of the page)
9. Print out, email or copy down your schedule

Should you wish to cancel an appointment you have made, click on "Cancel" beside the meeting you wish to have removed from your schedule.

If you experience any difficulty using the service, please email support@parentinterview.com

We look forward to speaking with you on March 26.

P.S. : Please consider bringing in non-perishable food items to the front foyer on Thursday, March 26, 2026.

Parking and Vehicle Safety

Student safety is our highest concern at Northview. Each year we observe risky driver behaviour when students are being dropped off and picked up from school. Families must note the following:

- The WEST side parking lot is designated for TDSB Staff parking only. Student drop-off or pick-up **should not be attempted in the West Parking lot. Use the Esther Shiner Stadium parking lot, Virgilwood Drive of the Ailsa Craig Parkette.**
- Student drop off on Finch Avenue is dangerous. Do not use the TTC lane or make U-turns on Finch Avenue when dropping off students.
- The NHSS "Kiss and Go" drop-off/pick-up loop is located in our EAST side parking lot and we ask that **ALL student drop-off and pick-up occur in the EAST side parking lot.**
- Please do not block the school bus drop off/pick up area in the northeast area of the school.
- Student parking will be limited to a small number of spaces in the rear of school - accessible via the east side parking lot on a first come, first served basis.

Drop-Off & Pick-Up Zone

DROP OFF

Please use the drop off and pick-up zone at Northview to drop off and pick-up your child

Additional EQAO Math Resources on TDSB Website

TDSB is excited to add to the [EQAO Math Resources Site](#) on the TDSB public website. You will find the answer key for weekly questions, the weekly question archive, and the Grade 3, 6 and 9 Archived EQAO Questions for Families with the answer key. Parents and caregivers can download copies or print them at the school. In addition, there are resources on the [TDSB Mathematics for Families & Caregivers page](#).

Building Math Confidence in Class

We are excited to share that students in Grade 9 Math classes are participating in EQAO Math practice to strengthen problem-solving skills and build confidence. Here are some links for Math support at home:

- [EQAO Questions and Supports on the TDSB website](#)
- [TDSB Mathematics for Families & Caregivers page](#)
- Free Math Help Available at [TVO Mathify](#), a free online tutoring service for grades 4 to 12

Focus on Writing

(March 25, 2026, 12:00 PM)

Join us for a free live webinar about how EQAO assesses students' writing skills at key stages of their education. EQAO staff will discuss writing prompts and questions from the reading components of the primary- and junior-division assessments and from the Ontario Secondary School Literacy Test. Participants will hear how these prompts and questions help assess the skills students are learning in class. Staff will also highlight valuable insights and resources that can help parents and guardians support their child's learning.

TDSB Budget Survey

The TDSB is seeking your input to help set priorities for the next school year. Tell us what you think with this 3-question survey about how we can place resources where they are needed most to help students succeed. [Learn more.](#)

Virtual ASD Afterschool Skills Development Program - Spring 2026 Registration

The spring 2026 session of the Autism Spectrum Disorder (ASD) Virtual Afterschool Skills Development Program will run from **March 24 to June 9**. The program is open to students in grades 4 to 10 with an ASD diagnosis.

Principals have been asked to share the [ASD Afterschool Skills Development Program letter](#), with parents and caregivers of eligible students.

Registration closes on March 6.

TDSB Developmental Disabilities Virtual Connect for Families - Planning for Adulthood (Part 2)

TDSB Developmental Disabilities Virtual Connects support parents and caregivers in navigating services for their child, youth, or young adult with developmental and/or complex disabilities. Join us as community agencies share information about Planning for Adulthood resources available for your young adult.

'Planning for Adulthood' speakers include George Brown College Vocational, Humber College CICE, JVS Toronto, Luso Canadian Charitable Foundation, Sunflower Developmental Services, Post 21 Foundation, Cherish Integrated Services, and Meta Centre. There are two opportunities to attend:

- **March 30 from 5:30 p.m. to 8 p.m.**
- [See the flyer for more details](#) and find the [Microsoft Teams meeting link here](#)

For more information, email virtualfairinfo@tdsb.on.ca or call Larena Case at 416-570-3314 or Vanessa Wong at 647-229-0730.

1. **Spring Campus Tours (March 14-22)** - During March Break, we will be hosting a series of enhanced campus tours with presentations, lab tours, and personalised advising. Tours will be offered at our Newnham, King, and Seneca@York campuses. Click [here](#) to learn more and to register.

2. **Save the Date: Open House (April 11)** - Seneca Spring Open House will be Saturday, April 11 from 9 a.m. to noon. This is great opportunity to join us in person or virtually to explore programs, services, and student life. Register [here](#).

News From York University Gendon Campus:

March Break U is a free, on-campus academic immersion experience where students can join us for one (or more) days during March break and attend a real university class through program shadowing. With courses offered across a variety of disciplines and in both English and French, students will gain first-hand exposure to university learning in our small, supportive classroom environment.

[Download brochure](#)

Vishing - March 2026 Cyber Tip

Vishing (voice phishing) is a social engineering attack where scammers use phone calls to trick victims into revealing confidential information. They rely on impersonation, voice manipulation, and fraudulent calls. To learn more, [see the tips below](#) and [watch this video](#). Stay Cyber Safe!

Vishing Tactics

Impersonation: Pretending to be a trusted individual or organization to obtain information.

Urgency: Pressuring you to act quickly.

Solicitation: Using publicly available information to appear legitimate.

How to Spot Vishing

Be cautious of unknown or automated callers.

Never share personal information, financial information or passwords.

Be wary of threats or high-pressure demands.

Actions

Report: Notify your bank, police, and the [Canadian Anti-Fraud Centre](#) when required.

Secure: Immediately change passwords on potentially compromised accounts.

Block: If you are on a TDSB device, make sure to [block any suspicious callers](#).

Neurodiversity Celebration Week - March 16 to 20

[Neurodiversity Celebration Week](#) is a worldwide initiative that challenges stereotypes and misconceptions about neurological differences. It aims to transform how neurodivergent individuals are perceived and supported with the opportunity to recognize their skills and talents, while creating inclusive and equitable cultures that empower individuals.

World Down Syndrome Day - March 21

World Down Syndrome Day is marked each year on March 21. The 21st day of the 3rd month signifies the triplication of the 21st chromosome, which is unique to people with Down syndrome. For more information, visit the [World Down Syndrome Day website](#).

TDSB Outdoor Education Summer Camp Opportunities

Our Outdoor Education Centres are once again excited to offer overnight camps this summer at the Scarborough Outdoor Education School (SOES) in Kearney and at the Island Summer Camp at the Island Natural Science School. Feel free to share these [Camp Kearney](#) and [Island Summer Camp](#) posters and links with information with families.

For dates, rates, and information, visit the [TOES Summer Program Opportunities webpage](#). Please direct questions to:

- CampKearney@tdsb.on.ca
- IslandSummerCamp@tdsb.on.ca
- TOES@tdsb.on.ca

Teaching & Learning AI Use Scale

tdsb | Teaching & Learning

To support responsible and purposeful use of AI, learning activities must clearly state and communicate to students if, when, and how AI can be used. Use the following AI Use Scale to identify how might AI support students in the learning process connected to learning goals which are aligned to the curriculum. Adapted from Perkins M et al, (2024) and University of British Columbia AI in Teaching and Learning (2025)

Use	Learning Task Design	Assessment of Learning Task	Examples
No AI	Learning task is completed entirely without AI assistance.	Students can be assessed on knowledge/understanding, communication, thinking, and/or application. AI must not be used at any point during the process of learning and in the final learning product.	<ul style="list-style-type: none"> • Conversations, oral presentations, read alouds, role play • Developing transferable skills • Writing tasks with a specific goal (sentences, metaphors, coding, journal writing etc.) • Demonstration of a skill • Quizzes, tests, exams
AI as a Study Tool	AI can be used to prepare, review, and study. Use AI to continue to develop skills and reinforce knowledge related to in-class learning and to prepare for assessments.	Assessment as learning, where students actively engage in their own learning by monitoring their progress, setting goals, and reflecting. Students develop their metacognition to be independent, autonomous learners.	<ul style="list-style-type: none"> • Explain topics with visuals or more examples • Breaking down a complex task into simpler parts or a checklist • Learn from mistakes by uploading and analyzing past assessments • Create flashcards and practice quizzes • Create vocabulary lists and study guides • Practice conversations, conferences, or interviews • Study schedules to support executive functioning
AI for Idea Generation	AI can be used for brainstorming, creating structures/organizers, and generating ideas for improving work.	No AI content is permitted in the final learning product. Student may be asked to document their thinking, idea generation and organization with respect to and distinct from AI. This may be submitted during the process or with the final learning product.	<ul style="list-style-type: none"> • After initial research, generate for and against ideas to further refine topic for opinion essays or debates • Starting with initial ideas or evidence, scaffold the writing process by generating a topic sentence or outline • Generate ideas that can be created with a specific tool or student interest • From identified real-world issues/challenges, generate inquiry questions or inquiry topics • Input research notes to organize into succinct ideas
AI Assisted Editing	AI can be used after the learning product is completed. AI is used to make improvements to the clarity or quality of student created work to improve the final output, but no new content can be created with AI.	AI content may be in the final learning product, but the original work drafts with no AI content must be provided. Student may be asked to document AI-assistance and annotate if AI-assisted edits were rejected or accepted, and why.	<ul style="list-style-type: none"> • Input draft of writing and ask for specific feedback on syntax, grammar, spelling only without changes to content or organization of ideas • Input draft of cover letter or resume and ask for specific feedback related to job posting, tone, or audience • Input image of learning product and ask for specific feedback
AI for Creation	AI can be used to complete certain elements of the task as instructed. Discussion or commentary on AI-generated content is required. Explicit teaching has occurred with respect to prompting, and critical review of outputs.	AI is used to complete specific tasks in the final learning product. AI may not be permitted in other parts. Student may be asked to provide documentation of gen-AI chat history. AI is responsibly used, cited, and/or attributed.	<ul style="list-style-type: none"> • Create visuals (not evaluated) to support understanding (ie: picture dictionary, visual aids for presentation, music) • Generate a final product as an example that can be assessed as a class to demonstrate the use of the rubric • Generate procedural steps or recipes to follow • Interact with a historical figure • Generate an image to begin writing process

February 10, 2026

Dear Parents/Guardians/Caregivers,

We are pleased to continue our ***After-School Numeracy Program***, run by Northview teachers, during the second semester from Monday, February 23 to Thursday, June 11.

Classes offered on Mondays are for Grade 9 students only, and classes offered on Wednesdays are for Grade 10 students only. The focus of the math program will be on developing general numeracy skills necessary for success in the Grade 9 EQAO assessment and in the Grade 9 and Grade 10 Mathematics courses.

The program is intended for students who are not yet achieving the provincial standard of 70%. There is no cost for students to participate.

Classes will run after school from 3:30 p.m. to 4:30 p.m. as follows:

Grade 9 Numeracy

Mondays | Room 329

Teacher: Ms. Jianfen Zeng

Email: jianfen.zeng@tdsb.on.ca

Grade 10 Numeracy

Wednesdays | Room 328

Teacher: Ms. Rafiga Sadigova

Email: rafiga.sadigova@tdsb.on.ca

The program teachers are supportive, welcoming, and committed to helping your child succeed. If you have any questions regarding this program, please feel free to email the teachers listed above.

To register your student, please use the registration link below:

February 9, 2026

Dear Parents/Guardians/Caregivers,

We are continuing our ***After-school Literacy Program*** run by Northview teachers in Second Semester from Monday, February 23, to Thursday, June 11. The classes will focus on English skills and OSSLT (Ontario Secondary School Literacy Test) preparation and are intended for students who are not yet achieving the provincial standard of 70%. There is **NO COST** for students to participate.

Literacy classes are combined with Grade 9 and Grade 10 students and will run after school from 3:30 p.m. to 4:30 p.m. Session 1 is on Mondays and Wednesdays, and Session 2 is on Tuesdays and Thursdays.

You may sign up for both sessions if you determine a need for your student.

Session #1 - Grades 9 & 10 literacy: Mondays and Wednesdays in room 217

Teacher: Mr. Jostiak-Mannella

Session #2 - Grades 9 & 10 literacy: Tuesdays and Thursdays in room 228

Teacher: Ms. Shaikh

The program's teachers are supportive and welcoming and here to help your child succeed. If you have any questions regarding this program, please email the teachers running the programs (Matthew.Jostiak-Mannella@tdsb.on.ca, Iffat.Shaikh@tdsb.on.ca, or Ms. Martinez at litsa.martinez@tdsb.on.ca)
