Girls' Flag Football Tournament

Congratulations to the Girls' Flag Football team who won the AY Jackson Invitational Day 2 Flag Football Tournament on Friday. The team battled throughout the day and went **3-0** in their round robin to advance to the finals where they beat Richview CI **12-0** to capture the title.

OFSAA Badminton Championships

Please join me in congratulating **Gordon Huynh** for his incredible performance at the OFSAA Badminton Championships in Markham this past week. Competing over three days, Gordon secured the **Gold Medal in the B Draw** for High School Boys' Singles! His path to the podium involved a three-game thriller in the finals.

Provincial French Speech Competition

Congratulations to Aryaveer and John, who represented our school with outstanding success at the Provincial French Speech Competition at York University, Glendon campus. Aryaveer earned **first place** in the Grade 11 & 12 Core French *traditional* category, while John achieved an impressive **third place** in the Grade 11 & 12 Extended French *traditional* category. Aryaveer will continue to Nationals, which will take place in June 2026.

Their accomplishments reflect not only their talent but also the dedication, discipline, and perseverance they demonstrated over the past several months. From refining their delivery to strengthening their command of the French language, they consistently pushed themselves to grow as confident and expressive speakers.

We are incredibly proud of their achievements and the way they showcased both linguistic skill and school spirit on a provincial stage. Félicitations à vous deux — your hard work truly paid off!

School Council Year-End Meeting

Thank you to our School Council for your ongoing commitment, support, and valuable contributions throughout the school year. We had a wonderful time celebrating a successful year of learning and partnership together at our year-end potluck meeting on May 5th, 2026. We look forward to continuing our work together and welcoming new members in the upcoming school year!

Parking and Vehicle Safety

Student safety is our highest concern at Northview. Each year we observe risky driver behaviour when students are being dropped off and picked up from school. Families must note the following:

- The WEST side parking lot is designated for TDSB Staff parking only. Student drop-off or pick-up **should not be attempted in the West Parking lot. Use the Esther Shiner Stadium parking lot, Virgilwood Drive off the Ailsa Craig Parkette .**
- Student drop off on Finch Avenue is dangerous. Do not use the TTC lane or make U-turns on Finch Avenue when dropping off students.
- The NHSS “Kiss and Go” drop-off/pick-up loop is located in our EAST side parking lot and we ask that **ALL student drop-off and pick-up occur in the EAST side parking lot.**
- Please do not block the school bus drop off/pick up area in the northeast area of the school.
- Student parking will be limited to a small number of spaces in the rear of school - accessible via the east side parking lot on a first come, first served basis.

Navigating Pathways to Wellness

On Saturday, May 30, the Social Work/Attendance and Child and Youth Services departments warmly invite students, families, and caregivers to the inaugural ***Navigating Pathways to Wellness: A TDSB Mental Health Resource Fair for All students and Families.***

This dynamic, community-powered event will feature an incredible lineup of presenters and partners from the City of Toronto, Toronto Public Health, and leading mental health and community agencies across the city. Together, they will offer engaging sessions, resources, and supports to help families navigate well-being, connection, and care as we head into the summer months. Grounded in the deep connection between mental health and developmental needs, this event creates a vibrant space to learn, connect, and access support.

Guidance News:

Attention Potential Graduates who have an OUAC and/or OCAS Account:

Semester Mid-term marks have now been uploaded into student accounts. It is the responsibility of the student to check their accounts for accuracy.

- Please see Ms. Tanrikulu as soon as possible if you see any errors or if something is missing.
- If you are taking private school course, your private school principal should have uploaded the course and mid term mark, and you should be able to see it.
- If you are taking a night school course with another school board (e.g. TCDSB, etc.) you should have been sent your mid-term report card. Please bring this mid-term report card to Ms. Tanrikulu as soon as possible so that the mid term mark can be added.
- For OUAC accounts, make sure you see, "Will achieve OSSD..."

Literacy for TDSB Families

In this [English/Literacy Newsletter for TDSB families](#), you'll find practical, easy-to-use strategies, activities, and tips that support literacy learning at home for all ages. Whether it's supporting early reading, building vocabulary, or encouraging meaningful conversations, these ideas are intended to fit naturally into your daily routines.

At the TDSB, we recognize families as children's first teachers and partners in learning. This newsletter is one way we aim to strengthen that partnership—empowering you with tools and ideas to help your child grow as a confident and joyful learner.

Support for Families: TDSB Summer 2025 Well-Being Guide

As the school year comes to a close, families may feel a mix of excitement and the need for extra support. Who are the MedVents?

Medical Venturers & Rovers, often referred to as "MedVents", are Scouts Canada vocational Venturer & Rover Sections that focus on Emergency Medical Services. MedVents divide their time in weekly meetings between Scouting activities such as outdoor skills or planning camps and medical training and certifications. This training is put to good use when MedVents provide volunteer First Aid service at local community or scouting events.

The program runs September to June and involves regular meetings, camps, special events and medical service. The MedVent age group is 15- 26.

Medical Program

The Medical aspect of MedVents is the main focus of the program. MedVents start off with Standard First Aid and they progress in hours and years of experience to higher levels of training such as Wilderness First Aid, Emergency First Responder, and Emergency Medical Responder. Although not absolutely required, it is suggested that you already have Standard First Aid before joining MedVents. You can improve and practice your skills in real situations during medical service as well as at scenario camps throughout the year.

Scout Program

MedVents also has a Scouting portion of the program. Weekly meetings alternate between medical and Scouting nights. During Scouting nights we plan camps, learn and practice outdoor skills and do team building activities and projects that focus on the Canadian Path.

Rovers

Rovers are the age group one level above Venturers. Rovers are 18-26 years old and still have a program similar to MedVents and are held to Adult Scouter standards. Many Rovers are in Paramedic school or are going to college or university for a career in the healthcare field. They often act as mentors, teachers and supervisors for the MedVents.

Why should you join?

MedVents is a great way to explore the medical field. You get hands on training and real experience providing first aid at many local events. Whether you want to be a healthcare professional in the future and want to test the waters or you want a new challenge when moving up to Venturers from Scouts, MedVents is a great program and you will meet many wonderful people and have amazing experiences all while getting volunteer hours for many of the events we do.

Our Sponsor

Our sponsor for 1st Downsview is Toronto Paramedic Services. They provide us with many things such as special training at the Rubes Centre in downtown Toronto, and the chance to work alongside paramedics at different events such as The Canadian National Exhibition.
