Friday November 6, 2015

Dear Parents/Guardians,

As you may be aware, the Ontario Secondary School Teachers' Federation, the union that represents high school teachers, began a local withdrawal of selected services starting on November 4, 2015.

As a result of this job action, we will no longer be following the late start schedule currently in place for Wednesdays. Classes at Richview Collegiate will revert back to the regular class day schedule on Wednesday November 11, meaning school will start at 8:50am and end at the regular time of 3:12pm.

We will continue to monitor the situation as it unfolds and are committed to doing everything possible to ensure the integrity of the learning day.

Thank you for your understanding. We will continue to provide information as it becomes available. Please check www.tdsb.on.ca/labour for more information and a full list of withdrawn services.

Sincerely,

Sam Miceli
Principal,
Richview Collegiate Institute
