Coding made fun for everyone

Dear Parents and Guardians of Oriole Park Jr PS,

Hatch Canada will be offering **Computer Coding** classes (Grades 2-5) and **Typing** classes (Grades 1-2) as a part of the extra-curricular activities at Oriole Park PS. For more information about **Typing** class please see the back.

- The students will learn how to write computer code in Javascript in a fun and engaging way.
- Students will also be able to sign-in at home and continue developing their skills, showing-off to their friends and amazing their parents.
- Hatch's self-paced and mastery-based platform allows students to choose their own projects to build from themes like Minecraft, Star Wars, Disney, Art, and more.
- For all experience levels!

In just its third academic year, Hatch has already taught more than 20,000 students and in 2018/2019 is running after school programs in hundreds of Ontario public and private schools. You can learn more by visiting hatchcanada.com.
