### Secondary Program Review and Optional Attendance

The Toronto District School Board (TDSB) is undertaking a review of secondary schools to ensure all students have equitable access to programs and opportunities, as close to home as possible. As part of the [Secondary Program Review](#), the TDSB is reviewing the **Optional Attendance** policy (P013), which allows students to apply to schools other than their designated school by home address.

A public consultation process for both the Secondary Review and P013 started in November 2019. Please visit the TDSB website for more information and opportunities to provide feedback:
