### Re-Prize: Mayfair “Good Junk” Collection

This year, Mayfair is reducing its carbon footprint by collecting clean, lightly-used novelties still brimming with potential to inspire joy in a child. We will happily collect and give a second life to this “good junk” at the Mayfair prize table. You can drop-off your items at school in the box marked “Re-Prize” in front of the office. Just make sure it's clean and in good condition!
